

Roseburg News-Review

Published Daily Except Sunday by the NEWS-REVIEW COMPANY, INC. Entered as second class matter May 7, 1920, at the postoffice at Roseburg, Oregon, under act of March 2, 1979.

The Weather

U. S. Weather Bureau Office Roseburg, Oregon Forecast for Roseburg and vicinity: Occasional thunder showers tonight and Thursday; cooler Thursday.

In the Day's News

(Continued from page 1)

done yet, have been put away in the ammunition box for the 1948 political wars. The Republican leaders plan to use them, the correspondents report, as horrible examples of what the Democrats do when in power.

The record of the Democratic party in the handling of corrupt political machines hasn't been good. But it is just as well to keep in mind that if the Republicans stay in office too long, with TOO MUCH POWER, they'll be doing just as bad.

Too much power in too few hands too long is good government's greatest menace.

DISPATCHES from Lake Success (U. N. headquarters) tell us that "a far-reaching decision may come quickly on the Balkan problem and with it a test of United Nations' powers or effective action in the peaceful settlement of disputes."

WE might as well find out now whether U. N. will work or won't work in a pinch. If you go out hunting with a gun you think is loaded and meet a peevish bear and find your gun won't shoot you're in a bad way—probably worse off than if you had no gun. In that event, you'd have been more careful to keep out of the bear's way.

THE Dutch (at least according to their story) capture the rich coal area of the Indonesian island of Sumatra, and at the same time move to open the long-closed ports of the island of Java to world trade.

What we call progress has its problems. In this ruckus, which is basically similar to our colonial situation that led up to the Revolutionary War, we can't help sympathizing with the Indonesian people. Still, if the Indonesians go on living like they obviously want to live, how much foreign commerce (rubber, oil, etc.) will they produce? The modern world craves rubber, tin, oil, coal and such in vast quantities.

ASTORIA fishermen are reporting the arrival of a fabulous run of tuna. Lower Columbia canneries say deliveries so far are close to the previous record-breaking season of 1944.

All this comes at a time when new red meat scarcities appear to be approaching at a gallop. Maybe there is such a thing as manna from the sky—only in this case it would be fish from the sea.

TODAY'S note on misdirected energy: Big-town burglars steal a 300-pound safe and a heavy cash register from a bakery, haul them three miles across busy Brooklyn, crack them open and get a total haul of \$5 in pennies.

CONGRESS AND BEAUTY

By CHARLES V. STANTON

When news reached Roseburg that Jo Ann Amorde, representing Roseburg in the beauty contest at Seaside, had won the Miss Oregon crown, someone (we've forgotten who made the comment) wisecracked: "Roseburg sure has been on the map since it went to Congress."

Obviously there is no connection between the fact that a United States Senator and a United States Representative, now serving in Congress, are residents of Roseburg and the fact that Jo Ann was chosen as Miss Oregon. Congress can't be held responsible for Miss Amorde's beauty and charm. But just as obviously Roseburg's era of expansion dates from the time Harris Ellsworth was elected as Representative from the newly created Fourth Congressional district, and Guy Cordon was chosen to fill the vacancy left by the death of Senator Charles L. McNary. And there does exist a connecting link between Roseburg's sudden boom and the selection of the two Roseburg men for Congressional posts.

Roseburg's sudden change from an agricultural village to a booming industrial city resulted from the war emergency demand for timber. Both Cordon and Ellsworth had been closely identified for a number of years with the timber and land resources of the Umpqua Valley and the State of Oregon. Cordon was legal adviser for the Oregon Land Grant counties, in which the plans for timber removal, payments in lieu of taxes, etc., were primary issues. His work placed him in close contact with Washington and Congressional procedure, so that he was the logical choice to fill the position of U. S. Senator, because of his knowledge of technique, his familiarity with then current legislation, and his exceptional ability and fitness for the office.

Ellsworth, who had been working for a number of years to attract the lumber manufacturing industry into Southern Oregon, was ideally fitted to represent the Southern Oregon territory, in which the lumber industry is of chief importance, following creation of the Fourth District.

Choice of Cordon and Ellsworth naturally resulted in focusing attention upon Roseburg. Then came the period of industrial development which both men had envisioned. Booming conditions brought about more publicity and attention.

Now, in addition to two Congressmen we claim the state's beauty queen, soon, we hope, to become Miss America.

Thus we have held the spotlight for a half dozen years, and, if current trends continue their course, Roseburg and the Umpqua Valley will continue "the hottest spot on the Pacific Coast," for a good many more years, as our industrial progress persists.

We are proud of the orderly development of our own industries, and the prospect that this particular area will be the first in the United States to be placed on a perpetual and stable basis of manufacture, instead of being stripped of resources and left a desolate wasteland as has been the fate of so many timber centers in past years.

We are proud of our new populations and their spirit of ready cooperation in civic affairs; their demand for progress.

And we have pride in the beauty of our women—beauty proven by actual competition to be the best.

Yes, "Roseburg sure has been on the map since it went to Congress!"

'Battle Royal' Of Six Men Slated on Next Mat Program

Three of the roughest and toughest and three of the most talented scientific professional wrestlers will gather around inside the Roseburg Armory at 8:30 P. M. next Saturday for a fling at an attractive \$250 purse offered the winner of a six-man "battle royal" by Matchmaker Don Owen.

Principals of the mat sport's greatest extravaganza will be Stucky Kneisler, Tony Ross and Leo Kariklenko, representing the Mexicans; Jack Kiser, Pierre LaBelle and Lou Savoldi, carrying the banner of the cleanies.

In the meantime Tex Hager is seeking a return coast junior-heavyweight championship match against Herb Parks. It looked like the little Oregonian would lift the title last week—until the closing minutes when he missed a flying head scissor and landed tangled and helpless in the ring ropes. Hager had held the upper hand until then and bases his claim to a return meeting on that fact. Parks, however, has refused.

Only member of the scheduled six-man affair to appear last week was LaBelle, and the "Fighting Frenchman" was extremely impressive in defeating Sugi Hayamaki in two out of three falls. The Oriental, who claims an unbeaten record with ju-jitsu jackets, displayed a remarkable knowledge of leverages and gave LaBelle formidable opposition.

Wards Trim Cola, Sutherland Defeats Elks in Softball

TONIGHT'S GAMES Pepsi-Cola vs. J.V.R. Squirt vs. Elks

Montgomery Ward, reinforced by the newly signed Dame brothers, broke into the softball win column last night on Flinlay Field trouncing Pepsi-Cola, 11-2, and in the evening's final Sutherland slugged the Elks to a 9-3 victory.

In the first fray play was on fairly even terms with Wards' Pillbury connecting first for a double in the second. In the fourth the ball over crew knocked Sutherland from the contest in tallying eight runs off four hits and four Pepsi errors.

Braley and Strode each connected for Pepsi in the fifth, but were caught short of scoring. Each club ran in two runs off as many hits in the sixth and D. Dame singled the seventh to add one run for Wards for good measure.

The Dame brothers, recently released as Pepsi batteries, turned in the best performance of the two batteries, striking out five batters and walking only one.

In the nighttime Sutherland jumped to a 4-0 lead in the first stanza as they combined 2 singles with dual base on balls. Allen's second frame single accounted for the remainder of the Elks failed to get past second base.

Singles in the third by Lovelein and Weber sent in the Elks' first scores of the contest, but they failed to repeat until the seventh inning. Crinkler, two in the fourth and two more in the fifth off four hits.

Graham took mound honors as he whiffed eight Elks batters, gave up only five hits and allowed no gift trips.

Wards: 000 8021 11 8 4 Pepsi: 000 0020 2 5 0 J. Dame and D. Dame; Telford and Brown.

Beavers, Routed By Rainiers, 14-3, Drop Into Cellar

Fourth-place Seattle dropped their northern neighbors, Portland, into the Pacific Coast League cellar last night in a 14-3 rout that saw 30 bases on balls.

Seattle took 13 walks off two hurlers while Barrett, winning his sixth in a row, issued seven passes. Seattle collected 15 bingles to five for the Beavers.

A lightning triple play, pulled by Los Angeles' Ostrowski with the help of First Baseman Barton, featured the Los Angeles-San Francisco game last night in which the Seals toppled the league leaders 5 to 1.

The triple play, believed the first registered at San Francisco in at least 10 years, was executed in the first inning with none out. With the bases loaded, Third Baseman Ostrowski nabbed a one-bouncer off the bat of Orteig. Ostrowski stepped on third to force the pill to Barton at first to beat Orteig by a step.

Melton hung up his eleventh victory of the campaign for the third-place Seals and limited Los Angeles to six hits.

But Los Angeles maintained its four-game lead over second-place Oakland as Hollywood trounced the Angels, 14 to 7. Hollywood bats accounted for 19 hits off three Oakland pitchers.

Seals held Sacramento to seven scattered hits and won his 11th game of the season as the San Diego Padres took a 7 to 3 victory over Sacramento.

While most sheep's wool is white, there are also species which bear brown, fawn, yellow and gray shades.
