THIRD DEGREE, HIGHWAY STYLE
Night driving isn't much fun on a crowded highway like this. Most of us at S. P. have learned that in our own cars. That's why we say, "Next time, try the train." You relax while the engineer does the driving. Fares good in chair cars and coaches are very low. For example: only \$16.70 one way, \$30.15 roundtrip to Los Angeles in comfortable, air-conditioned chair cars. Chair car fare to San Francisco \$10.35 one way, \$18.65 roundtrip.
