

U. of O. Band Sets Off Ticket Sales For Hoop Season

The University of Oregon band of 35 pieces paraded the business district this morning and played a five-minute concert before a KRN microphone in front of the Empress Hotel. Their appearance was dedicated to the Roseburg High School basketball season ticket sales campaign.

The band, under direction of John Stehn, stopped off here for 30 minutes while en route to Palo Alto, Calif., where they will play for the UO-Stanford football game Saturday. Arrangements for the local appearance was made by George Luoma, Douglas County alumni director.

Along with the band, carrying signs boosting the local school's sales campaign, which officially opens to the public next Tuesday, was Durwood Boyles, Larry Henninger, Don Hutbard, Bob Rogers, Chuck Scofield, Chuck Taylor, Gene Parr and Glenn Scofield, all members of the local basketball team.

Following the parade, window posters were distributed throughout the business section.

Civic Clubs to Sell Tickets - According to the ticket sales campaign, set up by Jack Newby and Luoma, a contest will be held for the greatest amount of tickets sold between members of five of the civic clubs.

All season tickets are for reserved seats for the entire season of 15 home games. Fans will have an opportunity to see all the varsity games, plus preliminaries by the junior varsity, sophomores and possibly a few grade school games.

Single game tickets are priced at 80c this year, while season tickets are \$8, a reduction over last of 53c per game.

Tickets may also be obtained at the Chamber of Commerce office, starting next week, as well as from members of the above mentioned civic clubs.

Paposes Unscored On in All-Victory, Season's Record

Roseburg Junior High's squad of 33 Papose gridlers turned in their helmets and jerseys yesterday, winding up the school's most successful season—a record of being undefeated and unscored upon in four consecutive tilts.

The Paposes' scheduled game at Springfield next Saturday was canceled by the Springfield coach because of the field's poor condition.

Coach Hod Turner, in reviewing the past season, told his assistant mentor, Ray Brown, that this was his first grid team in 24 years to remain unscored upon. Last year his Paposes turned in only one loss during the season and blanketed three opponents.

The Blue and Golds, composed of above-average heroes, of which five were eighth graders, wound up season's action Saturday night on Finlay Field, dumping an outplayed Springfield eleven, 25-0.

Throughout the season the Paposes, styling their play after that of Cecil Sherwood's Indians, resorted to straight power, taking to the air only against Springfield on one play. This aerial was completed and set them up for a score. As well as the Pa-

pose starters proving powerful throughout the season, the reserves also displayed their worth. Against Springfield, the second string's linemen performed the only blocked kick of the game and set up backfielders for scoring.

Marshfield Wins District Crown On Clean Record

DISTRICT 3 STANDINGS

Marshfield	5	0	1	1.000
Grants Pass	4	1	0	.800
Myrtle Point	3	2	1	.600
Roseburg	3	3	0	.500
North Bend	3	3	0	.500
Coquille	1	5	0	.167
Reedsport	0	5	0	.000

While Coach "Cec" Sherwood's Indians began storing their battle-torn football suits this week, Marshfield tucked away the district's championship trophy, defeating North Bend Tuesday, 13-6, for a perfect season's record.

The Marshfield Pirates will meet North Bend in an unofficial rivalry exchange Thanksgiving day to end the league's action for the season.

This year marked the first season of play for Roseburg in the coastal area since 1941, and also was the first Indian team to be mentored by Sherwood.

During the Indians' seven-game season, of which they won four, including a non-conference 25-13 win over Cottage Grove, they racked up 62 points to opponents' 101. They were blanketed only by Marshfield and Grants Pass, league winner and runner-up, respectively.

Under the mentorship of Sherwood, the squad of 30 boys, four of whom were returning lettermen and only one of these a regular of last year, developed from a green, light and inexperienced team into one of the major threats of the district. They entered all games except one as the underdog. In practically all games the reserves were called upon to add to the team's strength, as well as provide game experience for next year's club.

Roseburg opened up at Coquille, taking a 28-19 decision. The following week they fell to a heftier Myrtle Point eleven 25-6, but came back to defeat Reedsport, 25-12. In a quagmire of mud at Marshfield they were dumped 12-0, but won on home grounds in consecutive weekends over Cottage Grove, 25-13, and North Bend, 18-7. In their final game, the Indians suffered their only homeground defeat, falling to Grants Pass, 13-0.

Silverside Salmon to Be Freed by Hatcheries

PORTLAND, Nov. 12.—(P)—State fish hatcheries expect to free enough stripped silverside salmon to provide 15,000,000 eggs for natural spawning in the coast streams this year.

The commission said the salmon were only partially stripped of their eggs and then freed to continue their trip to headwaters.
