Brother Dies—Mrs. W. L. Creamer of Hamilton street has received news of the death of her brother, L. O. Weber, of Big Run, Penn., Dec. 2. Owing to poor health, Mrs. Creamer will be unable to go east to the funeral.

To Visit Here—According to news received from Mills College at Oakland, Calif., Miss Shirley Ann Elliott, graduate student, plans to spend winter recess, ending January 5, at her home in this city. She holds a teaching fellowship in psychology at the College.

Leave—Mr. and Mrs. William Ritholzer, who have been visiting at the home of their uncle and aunt, Mr. and Mrs. Herman Schulze, and cousins of Brockway, left recently for their home in Perry, Okla. They also visited relatives at Lookingglass, Eugene and Salem. En route home they will stop briefly in San Francisco, Los Angeles and Texas.

**Elks Give Entertainment
For Hospitalized Vets**

Jack Hutton of Eugene, president of the Oregon State Elks Association, visited the Roseburg lodge Thursday and stayed over Saturday to attend the Elks Night entertainment program for patients at the Roseburg Veterans hospital.

Friday, Hutton conferred with Bob Kidder, chief of special services at the hospital, on the recreational and entertainment needs of the patients.

The Saturday program was under sponsorship of the Lakeview Elks lodge. The program included orchestral numbers by the Country Club Trio, accordion numbers and magic tricks by Allan Cordon, and vocal solos by Bob Davis, all of Roseburg.

The Elks are planning to increase their regular entertainment at the hospital, due to the fact that USO shows will be discontinued after this month.

The word "commode" originally meant a tall headress which had a fan shaped frame covered by silk or lace.

Belgium is about half the size of West Virginia.

Why Waste Your TIRES?

Balanced wheels will give
you from 50 to 100%
more mileage ...

Unbalanced wheels pound and bounce along the road, chopping good rubber from your tires. Why suffer this needless waste when our Bear Dy-Namic Wheel Balancer will restore proper balance to the wheels of your car? The Bear Balancer will show you what your wheels are doing at every speed up to 100 miles-an-hour.

Come in Today—Let Us Test Your Wheels
