Let Frigidaire take care of your Frigidaire

To keep your present Frigidaire in tip-top shape until your new one arrives, call the Frigidaire man. He's the "family doctor." He knows all about his patients... knows better than anyone else what to do and how to do it.

The Frigidaire factory is working at top speed to produce larger quantities of refrigerators, electric ranges and other Frigidaire products for you. We are getting our share of them — we're making deliveries continually, and we're happy to accept new orders too. But meanwhile, take the best care of the equipment you have, and when your Frigidaire needs attention:
