**Musical Instruments Presented**

Seated from left are Marjorie Sharp, Dorothy Winston, Beulah McKewen, Leah Brown, Dorothy Teater, Bernice Olin, Leon Glasco and Fred Sears. Doctor Kinney is at the microphone.

Veterans of Foreign Wars and Auxiliaries present musical instruments to the Roseburg Veterans Hospital at formal Christmas dance December 22nd.

Presentation was made by Dorothy Teater, V. F. W. Auxiliary hospital director, Department of Oregon, who was introduced by Fred Sears, recreation director of the Roseburg Veterans Hospital. The gifts were accepted by Doctor Kenneth Kinney of the hospital staff and he told briefly how they would be used in musical therapy in forming an orchestra. Mrs. Teater told how often she had observed that music seemed to give more pleasure to the veterans at the hospital than any other form of entertainment so music has been the keynote in program planning the past year. A class in music appreciation is held each week and also a class in dance instruction. A radio party also is enjoyed by the men each week and they have the pleasure of hearing their own requests over the air. Members of the V. F. W. Auxiliary taking part in the presentation were Marjorie Sharp presenting the Gibson guitar, a gift from Patrick Kelley Auxiliary; Dorothy Winston presenting an accordion and Beulah McKewen a saxophone from other V. F. W. Auxiliaries of Oregon. Mrs. Teater then introduced Leah Brown, who, although not a member of the V. F. W. Auxiliary, gives many hours of her time instructing the veterans in popular dance steps.

Leon Glasco of Willamette Post No. 293 of Eugene was then introduced and he presented a lovely Baldwin piano, a gift from the members of his Post and Auxiliary. He in turn introduced Bernice Olin, who is president of the Willamette Auxiliary No. 293 of Eugene.

Many other instruments will be added in the near future. A bass fiddle will be presented at the V. F. W. dance to be held January 12th at the recreation hall at the Veterans Hospital.

**Pro-Wallace Party Makes Debut in Pennsylvania**

HARRISBURG, Pa., Jan. 13.—(AP)—A new political party, dedicated to the candidacy of Henry A. Wallace, for president of the United States, is in process of formation in Pennsylvania.

Representatives of union, farm, professional, Negro and fraternal organizations met here and named J. W. Gitt, editor and publisher of the York Gazette and Daily as chairman of a committee organized to pre-empt the new party.

**Contempt Conviction Of B. F. Fields Upheld**

WASHINGTON, Jan. 13.—(AP)—Conviction of Benjamin F. Fields for contempt of Congress was, in effect, upheld yesterday by the Supreme Court.

The high tribunal refused to hear an appeal filed by Fields, war surplus broker, from his trial in federal court here. He was accused of failing to produce records before the House surplus property committee during an investigation of a bronze wire screen transaction.

**Arabs Prepare For New Jewish Blow At Jaffa Portal**

JERUSALEM, Jan. 8.—(AP)—Five more persons died in scattered violence throughout Palestine today and in Jerusalem the Jaffa Gate bristled with Arab armament. Rumors spread that a new Jewish attack would be launched against the gate.

Seven Jews liberated from a hospital one of their comrades who was wounded and captured yesterday after Jews made an armored car attack on the Jaffa Gate which cost the lives of 17 Arabs and three Jews.

Arabs began arming the gate after the rumor spread that four British armored cars had been stolen, possibly for a new onslaught on the old walled city. An Arab source said several hundred armed Arabs were massed at the gate, "ready to repel attacks". Roadblocks were augmented and Sten guns and rifles were made ready upon the walls.

**Another Program Set in Mental Health Series**

On "Wings of Clay," the next program of the series "The Tenth Man," will be heard over Station

KRNR at 4:45 P. M. Thursday. Few people actually know the work of an occupational therapist. "On Wings of Clay" dramatizes in a most thrilling manner the great value of occupational therapy for patients on the road to mental recovery.

"The Tenth Man" series, 13 episodes in all, is being sponsored by the Oregon Mental Health Society, in the interests of better mental health.

Heavy sniper fire was heard frequently in the area, apparently a continuation of the duel between Arabs and some 1,500 Jews besieged inside the old city. A British constable was shot to death in Hebron. The violence of the past five days, in which more than 50 persons were killed and about 200 injured, seemed likely to damage the chances of Hagana, the Jewish militia, of becoming the force designated by the United Nations to guard partition. Hagana has admitted carrying out at least one bombing.
