Trailway Buses Plan to Detour Passengers

Passengers on West Coast Trailways buses traveling south of Roseburg will be transported over the Pacific Highway detour by a lightweight shuttle bus to the Myrtle Grove Auto Court, where connection will be made with the company's larger buses to California, it was announced by Ralph B. Matthews, district passenger agent.

Buses from Seattle and Portland will be stopped here, where through passengers will make the transfer, Matthews said. The shuttle bus, which the company leased from Luther Ellison, school bus operator, meets the State Highway Department weight requirements for vehicles using the detour. Regular schedules will be resumed.

'Ike's' Name in Primary May Upset GOP Slate

There appeared to be some possibility that the highly organized Republican leadership in Pennsylvania might disrupt the result, but apparently only a flat disavowal by Eisenhower could kill off the movement.

Truman Budget Slash Of \$5 Billion Planned

Whatever the decision on his \$5,000,000,000 goal, Taber said he "wouldn't be satisfied with anything less than a cut of \$4,500,000,000."

Republican leaders are determined to ram through an income reduction tax this year that may trim by more than \$5,000,000,000 the \$44,447,000,000 in revenues estimated by Mr. Truman for the next fiscal year.

Who Will Run Plan

Meanwhile, pressure built up among House Republicans today to write out definite orders for whoever is to run the European recovery program and to specify equally definite limitations on his power.

Reps. Vows (R-Ohio) and Chilverfield (R-Ill.) were among the GOP members on the Foreign Affairs Committee talking along that line as House hearings on the Marshall plan rolled into their second day.

Lewis H. Douglas, ambassador to Britain, and a former Arizona congressman, was billed as the witness.

From that side of the capitol came fresh indications that GOP lawmakers are not completely satisfied with the administration's estimate of \$6,800,000,000 as the precise sum needed to operate the plan for the first 15 months.

Chatterman Vandenberg observed yesterday that there is nothing "sacrosanct" about the figure, adding that it will not ruin

Marshall Stands Grounds

Vorys put his objections directly to Secretary of State Marshall while the cabinet member was testifying yesterday.

Marshall agreed that there is no single section setting out in detail things for the administrator to do. But he said the bill contains a declaration of purposes and provides the basis for a presidential executive order saying how the administrator shall operate.

Marshall stuck by his guns for closely with the State Department. But there is strong sentiment in the House for running the program through a board of directors.

Gandhi Starts New Fast in Peace Effort

feared that, should he die, India's non-Muslims would blame the Moslems and avenge him with a terrible slaughter.

Gandhi, lecturing the Sikhs in the garden, became so agitated his granddaughter had to help guide the wooden spoon in his shaking hand to his lips as he took the last mouthfuls of his breakfast.

Heard for me would be a glorious deliverance, rather than that I should be a helpless witness of the destruction of India, Hinduism, Sikhism and Islam," declared Gandhi, whose following numbers many thousands.

"That destruction is certain if Pakistan ensures no equality of the status and security of life and property for all professing the various faiths of the world, and if India copies her."

Pakistan, mostly Moslem in population, and India, mostly Hindu, were created British dominions in a partition of the sub-continent last Aug. 15.

They now are at odds over warfare waged by Moslem tribesmen upon the northern state of Kashmir, which has joined India. India has accused Pakistan before the United Nations of sup-
