Retail Food Prices Continue Skidding

CHICAGO, Feb. 19.—(AP)—Retail food prices are continuing their downward slide over the nation, the national Association of Retail Grocers reported today.

The association said it had made a second telegraphic survey of important food commodities in independent stores for the week of Feb. 17-24 and found these new cuts in prices:

Bacon, 4 to 20 cents a pound. Butter, 3 to 14 cents.

Eggs, 3 to 2 cents. Ground Chops, 4 to 10 cents. Ground Round Steak, 5 to 10 cents.

Flour (5 pound bags) down 5 to 8 cents. Lard, 4 to 10 cents.

Vegetable shortening, 2 to 6 cents. Margarine, 2 to 3 cents.

Sugar, (5-pound lots) 11 cents to 4 cents.

Prices remained steady on the one-pound loaf of white bread, potatoes and evaporated milk, the survey showed. In a few less eggs and pork chops also remained steady but most showed a drop.

The association said it gathers information on 13 key food commodities from outlets representing all sections of the nation.
