I'll prove that, with a Ford Tractor, you can keep gaining on your work instead of getting behind. You have no idea how much time you save with Hydraulic Touch Control of implements, new, faster 4-speed transmission and a lot of other advantages this new Ford Tractor has. And, my service is the best. So how about telling me to bring out a Tractor and put on a demonstration? There's no obligation.

### THINGS YOU SHOULD KNOW ABOUT PAINT

How to Figure the cost of Painting

First, figure the square feet you want to cover. To do your bedroom walls, for instance, measure the distance around the room and multiply by the distance from baseboard to ceiling. Subtract area of doors and windows.

Then bring the figures to us. We'll show you the "Dutch Boy" line of interior finishes . . . the amount you need and total cost. It always costs less to use "Dutch Boy" paints. For they go on smoother, cover better, last longer, and leave a proper surface for repainting.

As your "Dutch Boy" dealer we have all the supplies that make painting easier and more fun. So see us for the answer to any painting question.
