UMPQUA CHIEF FLOUR and Umpqua Brand Poultry and Dairy Feeds

WANTED

OATS! OATS! OATS! Any kind; any color; any variety.

We are paying Portland prices and better. Highest prices ever paid in Roseburg.

Bring in your samples and get our bid. We need all you have.

Our suggestion: Sell Before the Price Starts Dropping.

For Sale: Dehorning FLUID POL. The humane way to dehorn your calves.

"Do you believe in clubs for women?" "Wal, I always try kindness first."

For Sale: Two Buckeye Oil Burning Brooder Stoves, 500 capacity. Used only once, \$18.00 each. Kenney Dunham, Canas Valley.

For Sale: "Poy, what do you call the person who brings you in contact with the other world?" "A bartender, Son."

For Sale: Timid Customer: "I want to get a corset for my wife." Clerk: "What bust?" "T. C.: "Nothing. The old one just wore out."

For Sale: HAVE YOU THOUGHT of using UMPQUA CALF MEAL or UMPQUA CALF PELLETS for giving those twin lambs a boost? We have seen many fine orphan lambs raised on this fine feed.

We know of one highly successful sheepman who will allow the twin lambs access to UMPQUA CALF MEAL by means of a "creep feeding system." A few cents worth of UMPQUA CALF MEAL may change a "feeder" into a "fat lamb." And that's a fine way to spend a dime.

COULD YOU put your finger on the best bargain in town? We haven't been every place, but we think it would take a long walk to find a better buy than O.K. Chop at the Douglas County Flour Mill. UMPQUA MILK-MAKER is a better feed, but O.K. Chop at \$2.55 an 80-lb. bag is easy on the purse.

REMEMBER, UMPQUA CHIEF FLOUR is made from the finest of hard wheat, and is fully fortified with Vitamin B1.

A New Sulfa Drug. For treatment of bloody ecchidiosis, it has been found that sulfamethazine at one fourth per cent is more efficient than sulfaguanidine at 1%. The same drug is efficient for paratyphoid in poultry, and for pullorum or cholera in chickens. We have it already mixed for you. See us at the first sign of disease of any kind. We have a remedy if any is known, or can tell you where to get it, and what to get.
