

Motorists Can Aid Prevention Of Gas Shortage

By ALEXANDER R. GEORGE
WASHINGTON—Save one pint of gasoline every day and you'll help keep a shortage away.

The American Automobile Association (AAA) gives that tip to the nation's 30,000,000 owners of passenger autos. Association officials say car drivers stand to profit by voluntary saving of gasoline for two reasons. It would help:

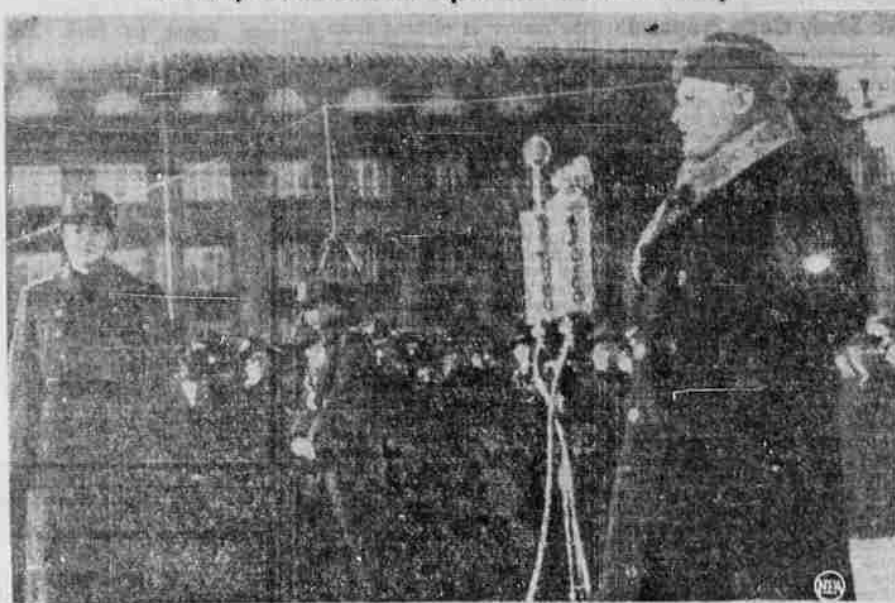

1. Prevent shortages of gasoline next summer or fall.
2. Avert a possible scarcity of heating oil next winter.

Some petroleum authorities have said this winter's cutback in gasoline production in order to boost the heating fuel output may lead to gasoline shortages next summer.

Harvest Menaced
Government oil experts say prospective gasoline shortages may hinder harvests in the mid-west and thus curtail farm production. AAA officials fear that if motorists don't voluntarily conserve gasoline, farm shortages may result in demands for some form of rationing.

If every one of the 30,000,000 passenger car owners saved a pint of gasoline a day, a total of 1,365,000,000 gallons would be saved in 1948. A saving of that size, AAA officials say, would go a long way in easing if not avert-

Police, Reds Break Up Anti-Soviet Rally

(NEA Telephoto)
Professor Ernest Hentunen, a Municipal Councilor, addresses anti-Soviet rally at Helsinki, Finland, which was later broken up by Communists and police who took Hentunen into "protective custody." NEA Radio-Telephoto.

New Device Gives Altitude Warning

Two pilots examine the cigar-like forward antenna, arrow, of a new radar altimeter and warning device being installed on Pan American World Airways Clippers. It sends out continuous radar impulses below and ahead of the plane, which are translated into feet-above-ground readings on a warning dial, inset, on the instrument panel. The device offers a virtually foolproof system to warn pilots of altitudes from 2000 down to 300 feet.

is now trying to resell the fixtures.

Frank's Fix-it shop will move to the Boswell Springs building, where various types of repair work will be done. Frank's son, who now is employed in radio work in Portland, will come down and start a radio shop in connection with his father's fix-it shop.

Mr. and Mrs. Jean Cowan are remodeling their home on the Pacific highway.

The Ben Cellars place has been sold to Mr. Mooney of Reedsport.

Alex Wolfolk has moved to the McClintock place in Scotts Valley.

YONCALLA—Mrs. Sam Walk-inshaw of Eugene visited friends here Thursday.

Mr. and Mrs. Dave Rogers are enjoying a week visiting their daughter and family at Coos Bay. Mrs. Karl Hummel, their daughter, took them down and will return for them the first of the week.

Mr. and Mrs. Meelmuir, Sr. and Mr. and Mrs. Vincent McElmurry left Wednesday for a two months' trip to Montana.

The Greyhound bus depot will be at the Kremenau Variety store. This will eliminate the danger of wrecks on the highway. Previously the buses stopped near the corner of Main street and the highway, obstructing the view from the south.

Mrs. Al Smith and son, Dick, returned home Thursday after spending the last two months visiting in Minnesota and Iowa. Mr. and Mrs. Alton Stack of West Fir spent Saturday here visiting relatives.

Mrs. Clara Talmann of Boise, Idaho, is visiting at the Glen Thompson home for a couple of weeks.

Mrs. John Kruse has bought the Lasswell acreage west of town from Avery Lasswell. She plans to have the ground surveyed, and platted off in lots suitable for homes.

Mrs. Ron Routh and Mrs. Marlin Edwards and daughter of Spurlin, Wis., are visiting at the Carl Conway home.

Truman Vetoes Bill To Pay Man for Injuries

WASHINGTON, March 15—(AP)—President Truman today vetoed a bill to pay Charles Howard Richards, of Eugene, Ore., \$5,000 for injuries sustained in a fall at the Bonneville power project Dec. 14, 1941.

Richards, an auxiliary police officer for the Office of Civilian Defense, was paid disability benefits totaling \$291.83 plus medical expenses, the veto message said. The Federal Security Agency, Mr. Truman said, found that Richards, a self-employed barber, "suffered no loss or wage-earning capacity other than that for which he received such benefits."

Births Announced at Mercy Hospital

HAAS—To Mr. and Mrs. Howard Haas, 1502 Willow, Roseburg, March 14, a daughter, Anita Sue; weight eight pounds eleven ounces.

GIMPSON—To Mr. and Mrs. Charles Gimpson, 718 Nebo street, March 13, a daughter, Lissa Jean; weight seven pounds nine ounces.

Plywood Heads to Confer With Federal Officials

OLYMPIA, Wash., (AP)—Government officials and 10 representatives of the Northwest plywood industry will meet March 30 in Washington, D. C., to discuss methods of getting their product into housing as soon as possible.

Arbold Koutonen of Olympia, president of the Douglas Fir Plywood Association, said the invitation to meet with government officials came from Mathias Niewenhouse, consultant in the De-

partment of Commerce's office of industry cooperation.

FINES LEVIED

The following fines were announced yesterday by Justice of the Peace Hartfield:
Melvin D. Van Scoyk, overload, \$25; George L. Anderson, overload, \$15; Victor G. Wrigglesworth, overload, \$15; Walter P. Griffin, no vehicle license, \$10; Jerry L. Lund, intoxicated in a public place, \$25.

There are about 1,100 species of trees native to the United States, Europe, not counting Russia, has only 85.

GIFT GOSSIP

by Margie

Hello there, all you astute people! Now hear this, all you diligent shoppers in Sutherlin and environs. Including Fair Oaks, Nonpareil, Hawthorne (if any), Umpqua, Stephens, and my old stamping ground, Oakland and Driver Valley. There's good news today! DOROTHY'S, present address 115 S. Stephens St., Roseburg, is expanding! She's going to open up another of her super extra de luxe gift stores in the thriving young metropolis of Sutherlin, state of Oregon. It won't be long before you gals in that vicinity can do your gift buying right at home, on the main street across from The Sutherlin Sun. Keep your eyes peeled and one morning you will discover that something new has been added.

The merchandise in this new palace of fine gifts will be on a par with the same excellent stock carried by the parent store here in Roseburg. But you will be spared a trip to the county seat every time you want to purchase a bridge prize, a birthday gift for grandma, or a wedding present for cousin Caroline. And are you ever going to have but fun, remembering the layout, casing the joint, as it were, at DOROTHY'S No. 2 store.

Yes, Mam, I envy you your first meander among the myrtle wood, the bronze and the Lucite. I share your enthusiasm for the pottery, the toys and the greeting cards. I participate in your excitement over the figurines, the costume jewelry and the perfumes plus sachets. Verily, I am with you all the way when that new store of DOROTHY'S makes its bow to the Sutherlin public.

Meantime the portals of No. 1 on Stephens will continue to beckon and invite all you eager seekers after the beautiful and unusual. Don't neglect that Easter shopping, kids. And here's a cute idea for that casual, inexpensive gift you've been pondering over. Why not a cunning pair of bunny rabbit salt and pepper shakers? Or a couple of pensive little chicks, destined to add flavor to someone's Easter Sunday, as well as to their soft boiled eggs. You'll be going to DOROTHY'S eventually, why not now! Mark my words, Margie. (Paid Adv.)

Schools' Text Books Tested for Adequacy

To determine whether text books now used in Oregon schools are adequate and whether schools should concentrate more on certain subjects, a statewide test is being conducted this week among

fifth and seventh grade pupils, Mrs. Lula C. Gorrell, county superintendent of schools, announced.

These "standard achievement" tests, under the direction of the State Department of Education, will also reveal past accomplishment in various subject areas, Mrs. Gorrell added.
