Oregon Motor Stages Strike Still Unsettled

PORTLAND, March 31.—(AP)—Most of the Willamette Valley and coastal towns served by Ore. Motor Stages still are without bus transportation today.

A work stoppage of some AFL drivers and mechanics went into its fifth day with no moves by either the union or the company toward an agreement in their dispute.

A. L. Schneider, company general manager, said a few towns on the Newberg and Forest Grove runs would have normal schedules to a few points west of here.

The work stoppage started Saturday after a wage boost and conditions of work were posted without union acceptance.

Profanity in Public Receives Court's O.K.

COLUMBUS, O., March 31.—(AP)—The Ohio supreme court says you can use profane epithets at a person on a public sidewalk and nothing can be done about it so long as you make no menacing action constituting assault or threat and stop short of slander.

The decision was in a \$5,000 action for slander brought by Kathryn V. Bartow against R. D. Smith. She contended Smith had slandered her on the street in the presence of many people.

The court overruled the appellate court, which held the woman had a cause of action against Smith.

Rap at Communism Due At Pan-American Meet

BOGOTA, Columbia, March 31.—(AP)—Diplomats said today the 21-nation Pan-American conference is almost certain to spell out a strong condemnation of communist infiltration in the western world.

This attitude of the delegates became clear at yesterday's opening session when Secretary of State Marshall received unanimous assurance that the question of subversive activities could be put on the conference program.

Flier Killed When His 'Chute Fails to Open

COEUR D'ALENE, Ida., March 31.—(AP)—A flier plunged to his death here last night when his parachute failed to open as he jumped from his diving plane only 200 feet above the ground.

The victim was Dean Baldwin, 25, of Coeur d'Alene. Officials at Weeks Field here said the youth was preparing for a commercial license test.

End in Sight for Alaska Sales Tax to Aid Vets

JUNEAU, Alaska, March 31.—(AP)—Alaskans will stop paying sales tax today.

Territorial Tax Commissioner M. P. Mulloney said today the 1 per cent tax levied to raise \$3,250,000 for veterans would reach that sum by June 30. The tax will be dropped, he said, as of midnight that date.

There are almost 400,000 miles of railroad tracks in America.

Fight Against Cattle Slaughter May Cease

TILLAMOOK, Ore., March 31.—(AP)—A dairy industry leader here reports the farmers opposing slaughter of cattle under a Bang's disease control program may not continue the revolt.

Ben Mills, president of the Tillamook Farmers Protective Association said yesterday those opposing the state law had conferred with directors of the Tillamook County Creamery Association.

Mills said "if a satisfactory" program can be worked out the group may abandon its plan to test the state law requiring slaughter of infected animals.

He did not say what the group considered a "satisfactory" program.
