TRUCKS

BUILT STRONGER TO LAST LONGER!

THEY'RE here—the great new Ford Bonus Built Trucks for '48... greatest truck line ever! And they're new all through. Three new engines—a Six and two V-8's—with up to 145 horsepower! New axles... frames... steering... brakes! New Million Dollar cab with living room comfort! Models? Over 115... five new series... two new Big Jobs—the biggest Ford Trucks in all Ford history!

And every one of these great new Ford Trucks for '48 is Bonus Built—built with extra strength in every vital part. This extra strength provides WORK RESERVES that pay off for you in two important money-saving ways! Here is how—

• FIRST: These WORK RESERVES give Ford Trucks a greater range of use by permitting them to handle loads beyond normal duty. Ford Trucks are not limited to doing one single, specific job.

• SECOND: These Bonus Built WORK RESERVES permit Ford Trucks to do their jobs "relaxed," with less strain, less wear. Thus, Ford Trucks last longer because they work easier!

Come in today—see the only trucks that are Bonus Built—built stronger to last longer. No wonder there are more Ford Trucks in use today than any other make!

*Weaker says Bonus means, "Something given in addition to what is usual or strictly due."
