have, that the Inter-American conference will continue in Bogota. That is to say, the attempted Communist coup (if that is what it really was) FAILED.

Communism, you see, ISN'T infallible.

* * *

MEANWHILE, the Russians get tougher in their TALK.

A high Soviet official tells a German youth meeting in Berlin that the "Marshall plan means the division of Germany, the division of Europe—IT MEANS WAR."

Is that true?

The answer is NO!

Germany was already divided. It was divided at the Elbe river. That happened at Yalta. There can be little doubt that the purpose of Moscow has been to make the Elbe the western boundary of Russia in Europe.

It is as near certain as anything can be that what has been happening in Berlin has been merely a part of the continuing Russian purpose to drive us out of the RUSSIAN part of Germany.

* * *

DR. EDWARD U. CONDON, chief of the U. S. Bureau of Standards, who has been made the target of charges by the House Committee on un-American Activities, says in a speech in New York:

"The United States is in the grip of hysteria and fear, FOR NO SOUND REASONS."

To the extent that seeing a Communist behind every bush and charging everybody with whom we disagree with being a Communist is obviously a form of hysteria, what he says is true.

But just the same, there ARE sound reasons for the feeling of insecurity, of uncertainty, even of fear that unquestionably does exist in this country.

* * *

LET'S list some of these reasons. For one thing, we aren't producing enough to meet our needs. Lack of production means:

1. Fatal weakness in a pinch. In a pinch, we need THINGS—plenty of them. The last war taught us that.

2. A declining standard of living. A high standard of living means plenty of things. Nothing is truer than that we can't have what isn't produced.

* * *

THE mass instinct of our people recognizes that because of lack of adequate production we could get into serious trouble. What we need is to SNAP OUT of our fears and our uncertainties and get back to work. If we will do that, we will have nothing much to worry about.

Search Continues For Lost National Guard Plane

PORTLAND, April 15—(AP)—Military units directing search for the Oregon National Guard bomber that vanished last week are centering their activity today in Northern Clark County, Washington.

Air search is continuing over Ariel and Yacolt areas while police conduct a house-to-house check for reports of low flying airplanes the night of April 9. They hope to establish the plane's line of flight.

Three men were aboard the A-26 attack bomber. It was approaching Portland on instruments after a flight from McChord Field, Wash.
