Radio Station Request At Reedsport Granted

REEDSPORT — Word was received here Thursday from William Hunt, at present employed in the advertising department of a newspaper at Pasco, Wash., that he had been granted a permit to establish a radio station at Reedsport by the Federal Communications Commission.

Action on the application has been pending for more than a year. Preliminary survey work has been in progress for almost two years on this application for a 250 K.W. transmission broadcasting station for this city.

Hunt formerly was manager of Pen's Service Station in this city and was also active in the organization of an Eagles Lodge here. For a time he was on the advertising staff of the Coos Bay Times.

To produce good birds, keep your brooders and all buildings clean and in a healthy condition by using Sanitizer on the floor and in the litter. It is effective in destroying all odor, lice, spiders and flies; it also helps to keep dry floors.

Another health measure is Califormine, this new discovery rids your birds of lice, mites, ticks and worms, with the exception of tape worms.

Then help them grow and make good by using Fishers Feeds, made from air washed grain.

Why not stop in and see Bill at the Roseburg Grange Supply and learn more about these new products that will help you produce bigger and better turkeys and chickens.
