When You Replace Your Old Type Water Heater Get a **LONG-LIFE FOWLER**

SOLVES YOUR HOT WATER PROBLEMS FOR AT LEAST 20 YEARS

Only the know-how of the world's oldest makers of electric water heaters could produce a product of such long-lasting, dependable service. Every standard porcelain Fowler is backed by a 20-year prorated warranty.

Look at these essential features

- Trouble-free "black heat" elements Fowler elements go around the tank and not in the water. They apply heat from the outside in and last longer because they operate at a safe black heat.
- Low operating cost—high efficiency Special 3-way insulation retains the heat in the water, provides maximum efficiency with low operating cost.
- Rust-resistant porcelain-lined tank Flawless porcelain lining is as resistant to rust as glass. Water never touches metal, is sparkling clean.
- Adjustable economy control Gives added capacity for unusual hot water demands. Keeps water at just the temperature desired.
