VETERANS TO SPONSOR DANCE AT HOSPITAL NEXT MONDAY NIGHT

Karl L. Wagner, program chairman, has announced that the residents of the VFW Housing Project in Eugene will sponsor a dance on April 26th at the Veterans Administration Hospital. This is one of the regular monthly dances to which the women of the community are cordially invited. The veterans in the Housing Project feel that they would like to do something for the hospitalized veterans in Roseburg and have collected the funds to sponsor this dance. Jack Gorty's orchestra has been engaged to play. The members of the Red Cross Gray Ladies Service with Mrs. Forest McKay, chairman, will be in charge of decorations. The theme of the party is the South Sea Isle. Mrs. McKay promises several surprise numbers during the evening. The ladies are asked to wear their gayest and most colorful frocks.

Mr. Wagner expects to come from Eugene for the occasion and bring with him several other members of the group. The time is 8:00 p. m., the place: Recreation Building, Veterans Administration Hospital.

BUSY WORKERS 4-H CLUB HAS MEETING

The Busy Workers, 4-H cooking club of Lookingglass, entertained their mothers with a lovely tea on Friday afternoon, April 16, at the home of Mrs. Neal Meyer.

The room was decorated with beautiful bouquets of spring flowers and each mother received a dainty corsage.

The girls had arranged their own program and presented several songs, readings and a tap dance.

At the close of the entertainment delicious refreshments were served. The girls were quite disappointed that more mothers did not attend.

LOCAL MUSICIANS ASKED TO DONATE SERVICES TO VETERANS AT HOSPITAL

There is a need for more musicians to serve in the Volunteer Program at the Veterans Administration Hospital here in Roseburg. Those who have not heard the patients' orchestra perform are most cordially invited to the dance instruction class held bi-monthly in the recreation building, when patients learn to dance with their own orchestra supplying the music. The members in this group would like to learn more about orchestration. There are patients who wish to learn to play these instruments and need special coaching. There are also patients who enjoy singing and need the encouragement of musicians who can lead them in group singing.

Musicians in the community are urged to share their talents in making this program one of real merit for the welfare of the veteran patients. Those interested please call Miss Elisabeth Noll, American Red Cross field director, phone 1134 or Robert P. Kiddier, chief of special services, phone 48 extension at the Veterans Administration Hospital.
