gene. The combined operations employment for approximately 1,000 employees.

Nystrom reported that the company has now completed plans for a nation wide company-owned warehouse system to distribute its lumber and plywood products. The construction of distribution warehouses at San Francisco and St. Louis which will cost approximately \$250,000, are now well under way. Each of which will carry a balanced stock of plywood and lumber for distribution to the

trade.

In addition to other contemplated warehouses, the company now markets a substantial quantity of plywood through the facilities of the Pacific Mutual Door Company of Tacoma, Wash., with distribution warehouses located throughout the United States.

Officers of the corporation are: Leonard Nystrom, president and chairman of the board of directors; E. S. Westlar, vice-president; Lynn Norman, secretary; Miss E. Batchelor, treasurer; and Wallace O. Greig, comptroller.

Directors are Vernon Brandt, manager of the Willamina plant; John Grady, manager of the Eugene plant; Vernon Carlson, Fred Nelson, Elmore Pedron and Oscar Nevell.

Norom Otosen is sales manager and Henry G. Champagne is manager of the logging and timber departments.

The Associated Plywood Mills,

Inc., formerly the Olympia Veneer Co., and its wholly-owned subsidiaries, the Pacific Plywood Corporation of Willamina, and the Eugene Plywood Co. of Eugene, has its principal offices at Eugene. The majority of the stockholders are local residents and are actively employed in the company's operations.

against "the intrigues of international reaction."

Communist Vice-Premier Go-

land's May Day celebration in Warsaw last night, said the United States is well along in becoming the "most hated" nation.

In the majority of western Europe's democratic capitals separate observances were planned. Socialist and moderate labor groups turned a chilly shoulder on the Communists.

In New York, parade routes of leftwingers and anti-Communists were separated by three long downtown blocks. The Veterans of Foreign Wars sponsored the anti-Communist "loyalty day" parade up Fifth avenue. A Catholic mass for Russia was said before the start.

Condemned Killer Loses His Cellmate—a Sparrow

DALLAS, Tex., April 30.—(AP)—Buster Northern, condemned to death for murder, lost a constant friend today.

The friend was a sparrow, which flew into his jail cell last winter seeking protection against a heavy snow.

Northern adopted the bird as his cell mate and named it "friend."

"Friend" died last night," been sick several days and I had been up the past four nights giving him what treatment I could here in jail."

Northern had built a swing, a feeding pan and a bird bath in a cigar box for his pet.

Northern was convicted of stomping elderly Mrs. Fannie McHenry of Oklahoma to death after he had hitched a ride in her automobile. His conviction has been appealed.

Gov. Dewey Dated For Address in Roseburg

(Continued From Page One)

Richardson conferred included Harry O. Pargeter, chairman of the Douglas County Republican Central Committee; Horace C. Berg, Roy O. Young, Mrs. Iris Hellwell, Harold E. Schmeer, and Mayor Albert G. Flegel.

In the event of rain, the rally here Friday noon will be moved to the Roseburg Armory. Seating for the luncheon which will follow at the Umpqua Hotel will be limited. Republican leaders advised. The program will be short, as the Dewey party will attempt to make an early departure in order to keep up with its tight schedule.

PORTLAND, May 1.—(AP)—Gov. Thomas E. Dewey arrived here from New York today ready to "really get into this campaign" for the Republican nomination for president.

In Oregon it is a clear-cut fight against Harold E. Stassen. The 12 Oregon delegates to be named in the May 21 primary vote are almost incidental as Dewey seeks to stem the advance of the former Minnesota governor. Dewey and Stassen are the only Republican candidates on this state's ballot.

Dewey declined comment on his chances here. "I'll know more about that two weeks from now."

Within those two weeks he will have covered most of western Oregon's cities and hamlets—35 talks are on the schedule for the first week—and will have moved into Eastern Oregon.

Presumably he will then be ready for a wind-up in the northwestern part of the state which has most of the population.

His schedule past the first 10 days hasn't been officially released, but it is no secret his backers think an all-out campaign will be needed to offset Stassen's strength. Stassen has been here twice already and is due back for a final word to the voters in the campaign's closing days.

Dewey declined to comment on a Stassen statement at Trenton, N. J., that he would not run for vice president with Dewey.

Senator Morse Blasts Again at T-H Law

ATLANTIC CITY, N. J., April 30.—(AP)—U. S. Sen. Wayne Morse said today the minimum wage bill now in a Senate committee will not permit an increase from 40 to 75 cents an hour.

In an address to the CIO Textile Workers Convention, Morse said he will oppose the bill because "like the Taft-Hartley law it is filled with sleeper clauses" that will harm labor. He gave no details of the bill, but said he would seek a 75-cent minimum.

Morse called the Taft-Hartley act "a product of government by propaganda and pressure."

"If we should suffer a depression . . . the public would soon understand that the Taft-Hartley law is based upon a principle of government by force in the field of economic and social relations . . ." Morse said.

WAR ON 'SKEETERS'

PORTLAND, May 1.—(AP)—Even mosquitoes have a more expensive diet.

The city council tentatively budgeted \$27,930 for mosquito control—\$3000 more than last year. All costs are up, Commissioner Dorothy McCollough Lee told the council in explaining the boost.

Take it from me ... there's nothing like Ford Hydraulic Touch Control

Maybe I'm lazy or maybe I'm smart. Anyhow, when I'm on a tractor, I don't want any tugging at stiff levers to raise heavy plows, cultivators and whatnot. I'll take Ford Hydraulic Touch Control every time. I can sit on this new Ford Tractor and lift or lower and set an implement by moving the Touch Control lever.

Say! Maybe you are like me . . . lazy or smart, take your choice. Anyhow, if you want easier, faster farming tell me to bring out a new Ford Tractor for a free demonstration that you'll enjoy . . . without obligation.

By the way . . . my good service on all Ford Tractors and equipment for them has a lot of folks talking.
