**Back From Eugene**—Mrs. J. A. Cobb has returned to her home in Roseburg, following a short stay in Eugene visiting her son-in-law and daughter, Mr. and Mrs. Ted Crankshaw.

**Returns Home**—Mrs. Paul Blaskey has returned to her home at 408 Rowe street in Roseburg, following several days visiting her son-in-law and daughter, Mr. and Mrs. Charles Hafer, at Olalla.

**Visits at Pattison Home**—Mr. and Mrs. Roy Simpson of Roseburg spent Wednesday evening at the Homer Pattison home on the Keassey road. Mr. Simpson showed motion pictures, which he had taken.

**Vacationing**—Mr. and Mrs. L. V. Pearson of Roseburg have left for Los Angeles to enjoy a vacation and visit the former's brother, Art Pearson, who was formerly "pro" at the Roseburg Country club.

**Badoura Club to Meet**—Badoura Club, Daughters of the Nile, will hold a sewing meeting Tuesday afternoon, May 25, at the home of Mrs. James Lewis in Myrtle Creek. Those desiring transportation are asked to meet at the Rose Hotel at 1 p. m.

**Dance to Be Held**—South Deer Creek Grange will sponsor a dance at 9 o'clock Saturday night, May 22, at the hall. Refreshments will be served.

**Picnic Sunday**—There will be a picnic and potluck dinner at the Olalla hall Sunday, May 23. All residents of the community are invited.

**Open House Saturday**—The Fullerton P. T. A. will sponsor a tea and open house affair Sunday from 2:30 to 4:30 o'clock at the home of Dr. and Mrs. J. M. Boyles, 1301 Umpqua Avenue E., in honor of Miss Ruth Swinney, who is retiring from the teaching staff of Fullerton school. All members, former members, past presidents, officers, teachers and friends are invited.

Bill Taylor soars peacefully over Wichita, Kan., in the new Mooney M-18, new flivver plane powered by an automobile engine. The M-18 weighs only 450 pounds but has a retractable landing gear and a single-lever control. It can do better than 100 miles an hour, yet the designer claims it can fly from coast-to-coast on \$12 worth of gasoline.

## Tiny Plane Can Cross Country for \$12

seats and the United States Senate. In the latter, Senator Guy Cordon is unopposed.

The governorship is up this year because of the death in a plane crash last October of Gov. Earl Snell. His successor, John Hall, was generally credited with victory in the Republican primary.

President Truman's selection

was a formality in the Democratic primary, where he is unopposed.

The presidential issue so engaged Oregon attention that other voices came through only faintly. Candidates seeking to uproot office holders—traditionally a tough job in Oregon—had to struggle to be heard.

Mexico is the only country outside of the United States to grow pecans commercially and production in that country is on a small scale.

Total value of Canada's merchandise exports the first six months of 1947 was \$1,328,500,000—three and one-half times as high as a similar period in 1938.

## Union Chief Shot; Bullet Clue Found

**BAKERSFIELD, Calif., May 21**—(AP)—A bullet recovered from an upholstered chair gave sheriff's investigators a clue today in the wounding of James Price, 32, AFL Farm Labor Union leader.

Sheriff's ballistics experts said the bullet, found in the chair in Price's home, was of foreign type, nine millimeters, probably from a German Luger or Walther pistol.

Price was shot in the head Monday night when a fusillade was fired into his home while he and other unionists were holding a meeting. Hospital attendants reported his condition was fair today.

Price is president of Local 218 of the union and chairman of a committee leading a strike for union recognition at the Dr. Giorgio farms at nearby Arvin.

Gov. Earl Warren, who previously ordered an investigation of the crime by the state attorney general's office, announced that a \$1,000 reward would be posted for information leading to arrest of the person who shot Price if the union official dies.

The governor said that if it were legally possible he would not condition the reward upon the death of Price.

## New Plane Tops World In Its Range

**WASHINGTON, May 21**—(AP)—The longest range plane in the world, the Navy's P2V Neptune, has been successfully launched from an aircraft carrier, it was learned yesterday.

A Navy official said the Neptune was launched with jet power assistance from the 45,000-ton carrier, Coral Sea, off the Virginia Capes last month. The craft flew to a landing on shore.

This type of plane—a two-engine craft—set the world distance record of 11,235 miles on a flight from Perth, Australia, to Columbus, Ohio, in 1946.

Earlier the Air Force had reported that a B-36 bomber has made an 8,000-mile flight on a simulated bombing mission. This was described as probably the longest flight in history with a full load.

The Navy official, who described the Neptune's take-off from the carrier, said the plane could be modified so as to make a landing on the carrier.

The Neptune weighs some 70,000 pounds, and would land with an impact force of about one and one-half times this weight, he said.

The weight of a normal carrier plane is under 20,000 pounds, the official explained.
