Evelyn Keyes as Millie

"The Mating of Millie," a romantic comedy starring Glenn Ford and Evelyn Keyes, will open Sunday at the Indian theater.

Heralded in all advance reports as the hilarious story of a girl who needed a husband quickly (and for the strangest reason) and a guy who didn't object to marriage as long as it didn't happen to him, "The Mating of Millie" features Ron Randall and Willard Parker, Eight-year-old Jimmy Hunt, Mabel Paige, Virginia Hunter and Virginia Brissac are also seen in key roles.

With the comedy feature at the Indian Sunday is the color cartoon with the "Talking Magpies" and newsreel.

At the Star Sunday its "Whispering City" and "The Adventures of Don Coyote," filmed in color, starring Richard Martin and Frances Rafferty.

New Marketing Pact On Oregon Walnuts Approved

WASHINGTON, (AP)—The Agriculture Department announces it has approved, subject to industry ratification, a new federal marketing agreement regulating the handling of walnuts grown in California, Oregon and Washington.

The new agreement was proposed last spring by the walnut control council, the industry administrative agency. The new agreement, the department said, is similar to the one now in effect except that it would simplify administrative procedure.

The new agreement will be submitted to producers and handlers for their approval.

Girl Freed of Murder Has Estate of \$309,000

LOS ANGELES, July 17.—(AP)—Eighteen-year-old Beulah Louise Overell, whose parents were killed aboard their dynamited yacht last year, has an estate worth \$309,977.

This was disclosed in probate court by her executors. The girl and her former lover, George Gollum, were acquitted of murder charges in the deaths of her parents, financier Walter E. Overell and his wife.

New Haircut Inspired By Woody Woodpecker

HOLLYWOOD, July 17, (AP)—Woody Woodpecker, inspiration for the current song leader, has inspired a new haircut for the kiddies.

The Woody Woodpecker coiffure, has just come off hair stylist Al Tate's idea-production line. All you boys have to do to sport one this summer is to have your barber trim your hair so it brushes up from your ears. Form it as cool as a butch or crew cut. For the girls, the Woody cut involves the same procedure, except that the topknot is formed of soft curls. The hair must be brushed smooth in back.

If the topknot keeps slipping forward, be nonchalant. Woody's hair does that, too, when he rattles his beak into a pine knot. Ho, Ho, Ho, Ho-o-o-o, Ho!

Police Headquarters Raided by Sneak Thief

DETROIT, Mich., July 17.—(AP)—Police of suburban Tamtrunk were a bit red-faced today as they intensified their hunt for a sneak thief who invaded police headquarters yesterday and stole four typewriters and the detectives' rollcall book.
