Vets Meet Wards, Y-Bay Vs. Pepsi in Tonight's Bill

| Team | W | L | Pct. |
|--------------------|---|---|-------|
| Schermer's Squirts | 1 | 0 | 1.000 |
| Pepsi-Cola | 1 | 1 | .500 |
| VPW | 1 | 1 | .500 |
| Sutherland Pastime | 1 | 1 | .500 |
| Youngs Bay | 0 | 1 | .000 |
| Umpqua Plywood | 0 | 2 | .000 |

The fourth round in Summer Softball League play at Finlay Field tonight will see the Vets taking on the Montgomery Ward nine at 7:15 and Youngs Bay meeting Pepsi-Cola in the evening's finale.

The Vets, smarting from their 4-0 loss to the Squirts Friday night, will be out for blood and the hapless Ward boys may bear the brunt of another VFW scoring spree. The Vets trounced Youngs Bay last week, 18-2.

The Youngs Bay team showed a great deal of improvement Friday night in defeating Umpqua Plywood 8-7. They may surprise the Pepsi-Cola nine in their encounter tonight to spoil the Vets' undefeated record for last half league play.

Schermer's Squirts held on to the undisputed league lead at the end of the first week by scoring two straight over their opponents. The losers were held scoreless in both games. Squirt Pitcher Swede Vang is currently leading the league pitchers by his two performances on the mound. After seeing his first shutout spoiled by Ward's McAllister in the last of the final inning, Vang came through with a perfect ninth, no-run game to blank the Vets 4-0 in his second try in the last half of competition. In two games, Vang has allowed only one hit—quite a record in any league.

Lesnevich Expected To Beat Mills; Louis Next?

LONDON, July 26.—(AP)—Within a few hours now, Light Heavyweight Champion Gus Lesnevich more likely will find himself the object of a fistic gold rush in which strong men will get trampled.

Britain's Freddie Iles tonight at White City—and he generally is expected to do that well within the 15-round limit of their 175-pound title bout. The fight is scheduled to start between 1:30 p.m. and 2 p.m. (PDT).

All the mild veteran from Cliffside Park, N. J., needs to do to set off the spark is to bash

From the moment Gus' arm is lifted in victory he is certain to become one of the most sought-after pugilists in the record book. Mike Jacobs' Twentieth Century Sporting Club will want to

Roseburg Golfers Win Over Cottage Grove

Roseburg golfers defeated Cottage Grove 413 to 364 in an intr-

club meet Sunday at the Roseburg Country Club. There were 32 entered in the play. Vern Martin of Roseburg and Palmer Johnson, Cottage Grove, held low gross with scores of 78.

All new members are urged to be present and participate in stag tournament Wednesday. Dutch lunch is scheduled. Several Cottage Grove golfers will be here.

Just one more chance

• Aesop's little story about the grasshopper and the ants typifies the situation in regard to Sustained Yield Co-operative Agreements. Remember, the grasshopper just played and played—the grass was lush in the summer—and he laughed at the hard-working ants whose common sense philosophy was to plan for the future even when the grass was green. It has been the practice of some to assume this same grasshopper outlook. Their song right now is CUT OUT, GET OUT AND LET THE FUTURE TAKE CARE OF ITSELF. Their whole plan seems to be to get just one more chance at the lush fields of public timber without the slightest responsibility to anything except their own immediate pocketbooks. The ants in their plans are those farsighted private operators who

believe in forest conservation, who have accepted their responsibility for Oregon's future—who plan to build Oregon's prosperity on a permanent basis; who are willing to invest in remanufacturing plants for all types of wood products, based upon a permanent timber supply. These operators are willing to merge their own lands with government lands, to accept more restrictions, to contract through Co-operative Sustained Yield Agreements. The question for western Oregon people is very simple: "Shall we have a grasshopper policy of sing, dance and be merry for tomorrow it's die out, or shall we, through practice of scientific planning of Sustained Yield, have a permanent profitable lumber industry surrounded by stable, prosperous communities?"
