Whatever your personal taste in pictures, the new shipment is sure to fit into your decorating scheme. A pair of bird prints by J. Gould, frisky puppies and winsome kittens for the nursery or a pair of old fashion prints are on the waiting list for your approval. LESTER'S is also having a special on a large miscellaneous group of pictures marked down less than the cost of the frames alone.

And speaking of specials we wonder if you've been into EXCEL DRESS SHOPPE this past week. There is still time to benefit from their summer clearance. Slacks, shorts, ballerina skirts, and summer dresses to round out a vacation wardrobe for you. So, skip on down and look for your size at EXCEL.

And now an idea on how to earn some money at home. THE CLOVER WOMEN'S EXCHANGE is in the market for more handmade articles for their shop on Melrose Road. Anything you make that would make a gift, practical or frivolous, will be welcomed. Call and talk it over with Mrs. Scott at the EXCHANGE at 93-R-3.

On our shopping tour this week we arrived at ASHCRAFT JEWELERS just as they were buying some agate costume jewelry. Linked bracelets set with square agates, curved bracelet with just one very large oval set, necklaces with pendants of agates, rings for men and women and the chains. All of these are the genuine agates. To be of gem quality agate must be translucent and show definite color, patterns, or markings. Every agate in this group of jewelry is gem quality. The pendants are priced from \$3.00 up; the rings from \$3.50 and each piece designed for years of beauty.
