

# the **SURE** way to save on food— Compare **ALL** food prices!

Be sure...shop **SAFEWAY**

THE sure way to learn the facts about food savings is to compare ALL prices. Comparison of just a few advertised prices will not give you a true picture of total food costs because—you can't feed your family on weekend "specials" alone. We invite you to check each of our prices against what you pay if you shop elsewhere. Then compare the total. See how you can save on food when every price is low. Be sure...shop Safeway.

Prices in this ad are effective through Saturday, August 7. We reserve the right to limit quantities. No sales to dealers.
