DAILY DEVOTIONAL (Dr. Charles A. Edwards)

"Thanks be unto God, which always causeth us to triumph in Christ." The magnificent processive known as the "Triumph" was considered the highest military known that could come to a Roman general. Commemorating his heroism and his victories, he entered the City of Rome. Crowned with laurel and bringing with him the captives and spoils of warfare. Some captives were put to death and others reduced to slavery. How different is the triumph when God is the victor in our lives. Instead of taking life from us, as did the Roman conquerors, He blesses us with the gift of spiritual life—life everlasting. Instead of making miserable slaves of us, He makes us heirs unto Himself, and joint-heirs with Christ. He makes us trophies of divine grace. When He conquers, he liberates. When He has triumphed in our lives, it is that our triumph begins. We find joy and satisfaction just where we found salvation in Him. We become more than conquerors through Him that loved us, and nothing can separate us from the love of God, which is in Christ Jesus our Lord.—Amen.

New Fangled Auto Had Everything but License

SAN FRANCISCO, (AP)—An automobile designed by Edward T. Adkins, former Navy chief petty officer, for handicapped war veterans made a successful shakedown trip except for one thing.

The airplane-type stick for steering worked. The push button controls were OK. It ran by gasoline motor or electric power. Among the added features: An electric torch and drill, movie camera, radio, magazine rack, automatic fire-fighting equipment, and an ice cream making machine.

But the Palo Alto man hit a snag when he tried to cross the San Francisco-Oakland Bay Bridge yesterday.
