MUSIC LOVERS INVITED TO JOIN COMMUNITY CONCERT ASSOCIATION

Music lovers of Douglas County will be given an opportunity for joining the Roseburg Community Concert Association in the one week's membership campaign planned for the last of September, according to an announcement made today by the president, Miss Gladys H. Strong.

Only persons joining the association during the one week's campaign yearly are privileged to attend the concerts brought to Roseburg during the year. Such great artists as Dorothy Maynor, Rose Bampton, William Primrose, Mildred Dilling, Patricia Travers, Jorge Bolet and many other noted artists have been presented here by the Concert Association. The Don Cosseca, the Saint Louis Sinfonietta, the Trapp Family, the Metropolitan Quartet and numerous other famous attractions have also been enjoyed by the membership, which totals more than 1000.

The membership drive is held only one week a year. No further memberships are taken outside of this one week's membership campaign. The association sponsored five concerts last year. The membership has steadily increased every year since the organization of the association. Only by forming such an organization, was it possible to bring great artists to Roseburg at regular intervals throughout the year.

Full details of the membership campaign will be announced at a later date.

COUPLE MARRY IN ROSEBURG FRIDAY

Miss Martha Dolalie of Portland became the bride of Kenneth Silvernail of Dundee, Oregon, at eleven o'clock Friday morning, August 13, at St. Paul's Lutheran Church, West Roseburg, with Rev. W. A. Sylvester performing the beautiful double ring ceremony.

The bride's only attendant was her friend, Miss Evelyn Bowen of Melrose. Jimmy Sylvester attended the bridegroom.

The bride was very lovely in a gown of white satin fashioned with full length sleeves. Her veil was held in place by a coronet of beads and seed-pearls. She wore a beautiful five strand pearl necklace, a gift of the bridegroom, and carried a white prayer book with floral and white satin ribbon decoration.

After the ceremony the bridal couple returned to the home of Miss Bowen, where they were visiting, and the wedding cake was cut. Later in the day they drove to their new home near Newburg, Oregon, where Mr. Silvernail is employed.

The bride, whose home town is Rushford, Minnesota, is a business college graduate and was employed by the U. S. War Department throughout the war, working in the famous Pentagon Building, Washington, D. C. and living in the almost equally well-known Government dormitory at Arlington Farms, Virginia, in both of which places she was closely associated with Miss Bowen. After the war she spent a year doing clerical work for the Federal Communications Commission, Washington, D. C., resigning in 1947 to come to Oregon. During the past year she has been employed in Portland.

The bridegroom, formerly of New York state, has long been a resident of Oregon. He recently returned from Alaska, where he was employed for a year.
