**Montag introduces the Only system that gives you Really Even Home Heating...**

**IT'S COMPLETELY AUTOMATIC!**

**IT KEEPS ROOM TEMPERATURES MORE EVEN!**

Now you can have more heating comfort than you ever knew. Montag's amazing new postwar home heating system—COMFORTFLO—gives you automatic heating comfort, without any work.

**COMFORTFLO circulates air at the ideal rate for any size or type of home.**

You get a steady flow of heat with COMFORTFLO. Room temperatures are more even, because a special blower control on COMFORTFLO keeps warm air moving. Ask your dealer to show you how this feature eliminates FULL ON-FULL OFF blower operation and up-and-down room temperatures.

**Here's why COMFORTFLO saves you money on fuel.**

First, the new blower control on COMFORTFLO gives you gentle warmth quicker. Your blower doesn't have to wait for the burner to build up such high temperatures. Then, your blower keeps warm air moving after your burner shuts off. More heat gets used. That saves fuel.

**COMFORTFLO is complete—you have no "extras" to buy.**

Here is the modern heating comfort you have a right to expect today. There can be nothing finer to wait for. See your Montag dealer and find out how easily you can have the very best home heating in America now.
