CERTAINLY YOU CAN HAVE A SOFT, VELVETY LOOKING SKIN WITHIN 5 DAYS!

Read what a Los Angeles woman says about the New Transforming PEARLS IN WINE COMBINATION CREAM!

"I was puzzled over why my complexion looked so unusually fresh and clear. It seemed to have taken on a new quality—a new tone. I thought: 'I am not getting younger, that's certain, but my skin surely looks younger, firmer and lovelier.' And then I realized—'Why, of course, it is the new PEARLS IN WINE COMBINATION CREAM.'"

"The result of using it just five days was startling. I have never known any cream to give such quick returns. It digs deep into the surface and goes to work at once, cleansing and improving."

"It is a delight to use for it is not only of a delicate, dainty pink hue, but it has a subtle fragrance and a velvety soft texture."

"I am deeply grateful for what it has done for me in making my skin feel so soft and velvety and appear so much younger, due to the thorough cleansing. I have no doubt that this is very beneficial."
