Z. A. Black Rites Held at Reedsport

Funeral services were held in Reedsport Tuesday for Zara Alonzo Black, a resident of the North Fork of Smith River. The Rev. M. L. Galligan officiated and graveside services were held by Aurora Lodge No. 59, A.F.&A.M.
Mr. Black was a long-time member of Prophetstown Lodge No. 293, A.F.&A.M., of Prophetstown, Ill., having joined that lodge in 1904 and held continuous membership.
Mr. Black was born in Bureau County, Ill., Oct. 12, 1869, the son of Nancy Van Zile Black and Adam Black. He came to the Umpqua country first about 1906,

later making a second trip here, then moving here to reside in October, 1921. Ed Benjamin, another Smith River resident, came here with him at that time.
John and Henry Wroe of North Fork are his cousins, while other surviving relatives are in Illinois.
Interment was in the Reedsport Masonic cemetery. Pallbearers were Walter and Alured Walker, E. B. Stevens, W. A. Burdick, J. L. Melvin and S. S. Smiley, past masters of Aurora Lodge.

Strikes as Numerous But Involved Workers Less

WASHINGTON, Oct. 1.—(AP)—Strikes occurred just about as often this August as in July but the number of workers involved dropped sharply.
The Bureau of Labor Statistics, reporting this, said the 335 new labor-management disputes were small ones for the most part. They involved 150,000 workers, compared with 225,000 in July.
These August strikers lost 1,750,000 man-days of employment, against 2,300,000 in July. That is the same as if that number of workers were idle one day.

Wife Hitch-Hikes to Blind Mate Waiting Operation

PORTLAND, Oct. 1.—(AP)—The wife of a 31-year-old Portlander who hitchhiked across the nation in the hope his sight might be restored, said today she was "scared" by the idea.
Mrs. Clarence Peddicord said her husband has received financial help from a New York businessman and now must wait only for a living eye cornea to be available for the surgical operation.
"I'm so happy I can hardly believe it," she said, "yet I'm scared, too. Suppose he doesn't like the looks of me and the kids?"
She reported that Peddicord has been offered help by Henry Karlin, a Saratoga Springs, N. Y., businessman. Karlin was a refugee from Nazi Germany whose wife and two children were killed.

Valuable Stradivarius Buried With Violinist

SAN PEDRO, Calif., Oct. 1 (AP) Louisa Terzi, once an internationally-known violinist, was entombed yesterday. And with her body,

apparently, was her Stradivarius. A promised dispute between relatives over whether or not the violin, once valued at \$45,000, would be put in the casket failed to develop.
Mrs. Louise King, one of two granddaughters, said before the services that it would be. She and the other granddaughter, Mrs. Ramona Carlson, were left alone with the body, but the casket was sealed after the services. Louisa, whose real name was Nana Patricia Dubois, died Sunday.

WHY REQUIRE PURCHASE OF A BOTTLE? LEGALIZE LIQUOR BY THE GLASS!

Let's quit kidding ourselves! Is it sensible to encourage the purchase of unlimited quantities of liquor by-the-bottle and at the same time have it illegal to purchase even so much as one drink of liquor by-the-glass?

Yet that is the situation in Oregon today... a situation the Oregon Liquor Dispensing Licensing Act (314 X YES!) is designed to correct by making it legal to purchase liquor either by-the-bottle in state liquor stores, as at present, or by-the-glass in state-licensed and supervised establishments.

For several months now, our state liquor stores have been holding "bargain sales" announcing attractive reductions in prices and encouraging the public to buy more liquor by-the-bottle.

One commissioner stated recently that as a result of this "merchandising" state liquor inventories had been reduced by some \$2 million.

Figures for the year 1947 show that in per capita liquor consumption Oregon, with its exclusively by-the-bottle system, consumed more per capita than seven of the nine states which offer the public the choice of bottle or glass.

State	1947 per capita liquor consumption
OREGON	1.62—Bottle only
Vermont	1.60—Bottle and Glass
Wyoming	1.58—Bottle and Glass
Maine	1.48—Bottle and Glass
Michigan	1.25—Bottle and Glass
Idaho	1.18—Bottle and Glass
Ohio	1.12—Bottle and Glass
Pennsylvania	1.08—Bottle and Glass

Liquor by-the-glass, as well as by the bottle, was made available in our neighboring state of Idaho on July 1, 1947. Consumption declined immediately. Idaho per capita liquor consumption:

1946 (bottle only)	1.23
1947 (bottle and glass)	1.18

Some people think that consumption will decrease if you make liquor hard to get.

Actually, the harder a thing is to get, the harder people will try to get it. During the war, when liquor was scarce, did consumption decrease? No, it increased! Here are the figures:

Decrease in Oregon Per Capita Liquor Consumption Since the War Years:	1945—1.77	1946—1.72	1947—1.62
---	-----------	-----------	-----------

Let's have common-sense liquor regulations.
