City Council Chambers Get Beauty Treatment

Repainting and renovation of the City Council chambers on the second floor of the City Hall was started today, said City Manager M. W. Slankard. The rugs will be taken and linoleum tile laid down. Plaster on the walls will be patched. A new railing will be installed.

While the work is going on, in the next two weeks, driver's license examinations ordinarily given at the City Hall will be conducted at the Chamber of Commerce offices, in the Medical Arts Building on Main St., Thursday and Friday this week and next.

The city manager pointed out that the council chambers in the City Hall receive heavy use, not only by the council and its various commissions, but by many civic organizations. He said the room has been in need of repair for a long time.

ORAL AUCTION BIDS will be received by the Regional Administrator on those tracts hereinafter described as "Oral Auction Sales" at the close of the sealed bid sale. Any sealed bids on tracts so described and accompanied by the required deposit received by the Regional Administrator prior to the start of the oral auction bidding, will be considered the equivalent of an oral bid and will be posted for the information of all bidders. To qualify for oral auction bidding, the bidder must submit to the officer in charge of the sale, prior to the beginning of the auction a deposit in the amount as hereinafter required. If an oral bid is declared to be high at the closing of the auction, the bidder must immediately confirm the bid by submitting it in **duplicate** on the regular Bureau of Land Management bid proposal form. The cutting and removal of the timber shall be carried out in accordance with the forest practice rules approved on July 7, 1948, by the Secretary of the Interior. Each bid must state the amount per thousand feet, board measure, that will be paid for each species, the total consideration which will be paid for the timber and a statement that the bidder will comply with local manufacturing requirements as hereinafter stated. No bid for less than the appraised value will be considered. Each sealed bid must be submitted in **duplicate** and be accompanied by a deposit. The deposit must be in cash or in the form of a certified check on a solvent bank and in favor of the Treasurer of the United States. The amount of the deposit will be at least 20% of the first $1,000.00 of the appraised value of the timber; an additional 10% of the next $9,000.00; and additional 5% of the amount between $10,000.00 and $100,000.00; and an additional 3% of any amount in excess of $100,000.00. The deposit will be returned to unsuccessful bidders upon the award of the bid; applied as part of the purchase price of the successful bidder; or retained as liquidated damages if the successful bidder does not within thirty days of acceptance of the bid execute contract and furnish satisfactory bond and satisfactory evidence of his ability to comply with the local marketing requirement. In sales over $10,000.00, the successful bidder will be required to furnish a sworn financial statement in **duplicate**, showing ability to fulfill the financial requirements of the contract. In sales of $10,000.00, or less, payment in full will be required prior to execution of the contract. In larger sales payments may be made in installments in accordance with contract payment schedule, dated March 1, 1948. The right is hereby reserved to waive technical defects in the advertisement; to reject all bids, or to award the timber for the amount of the highest bid to the next highest qualified bidder when the officer authorized to approve the contract shall deem the high bidder unqualified to fulfill the contractual requirements of the advertisements. Timber sold in accordance with this advertisement must be manufactured within the marketing area as designated for each tract described below in accordance with the Orders of the Secretary of the Interior, No. 2285, and Nos. 2380 to 2390, Incl., dated December 11, 1946 and November 29, 1947, respectively. The United States has by agreement been given the right to authorize its purchasers to use certain roads and rights-of-way for the removal of timber. Each bidder should ascertain from the respective District Forester's office the location of the road right-of-way covered by such agreement relating to the tract upon which he wishes to bid. It is the bidder's responsibility to determine for himself the extent which such agreement will permit the use of the road or right-of-way subject to the payment of reasonable compensation to the assignor of the United States. Further information, including copies of the form of contract, bid forms and schedules of contract payments may be obtained at District Offices of the Bureau of Land Management, located at Salem, Eugene, Roseburg, Coos Bay, and Medford, or at the office of the Regional Administrator, Bldg. A book of fine aristo-tex
Arrived the other day.
And such a cloth would make kings drool,
And to each other say—
"I think I'll buy a dozen suits
When I can raise the hay."
But with regret I'll send it back,
There's no one here who'd pay.
The natives here would take one look,
And push the book away,
For even though a king may drool
He doesn't have to weigh
Each obligation that he meets,
For all he does is play.
