Former Pro-Roosevelt Paper Veers to Dewey

ST. LOUIS, Mo., Oct. 12.—(AP)—The Post-Dispatch announced today it favors the election of Thomas E. Dewey as president.

The newspaper praised the Republican nominee's record as an administrator and said President Truman lacks "the stature, the vision, the social and economic grasp, or the sense of history required to lead this nation in a world crisis."

The Post-Dispatch supported Roosevelt for three of his four terms, including 1944 when he was opposed by Dewey. It favored Alfred M. Landon over Roosevelt in 1936.

Man, 76, Oldest Ever To Make Parachute Jump

FOSSTON, Minn., Oct. 12.—(AP)—The hero of the ice cream soda set in this tiny Minnesota town today was Walter Morgan, 76, who may be the oldest man ever to make a parachute jump.

Morgan achieved what he described as a lifetime ambition when he jumped yesterday from 10,000 feet. His wife and children were in the crowd of 2,000—600 more than the town's entire population—that left the shops and offices of Fosston to watch him jump.

Himself the father of six, Morgan said he wanted to "show the kids I could do it." Afterward he said wistfully "they'll have a hard time keeping me on the ground now."

His pilot, Don Kruse, Minne-

apolis, praised the ex-farmer's cool-headedness. "When he landed," said the pilot, "he still had the ripcord. Lots of professional jumpers drop it—and the thing is worth \$6."
