Goodbye to Girdles and Garter Belts

Goodbye to Girdles and Garter Belts!

Suspants\*

by

Blue Swan

The undie that can be worn with garters... and always clings to your waist.

Just attach garters, and Sus-pants suspends your stockings wrinkle-free, and hugs your waist no matter how you bend or twist. The secret is the new "pivot-point" bias pattern—which eliminates all pull. Just enough figure control to make it the perfect accessory for evening and daytime wear—with or without garters. In blue, black, maize, tearose and white.
