

Fox, Varga Will Open Wrestling Card Tomorrow

Billy Varga is a name that promises to go down in local wrestling history—a blond giant from the Southland who makes his local mat debut at the Roseburg Armory Saturday night.

Varga, former holder of the world's light-heavyweight champion, will have a weight advantage over his opponent—dynamic Billy Fox. The 197-pounder from Los Angeles has defeated such men as Danny McShain and Wild Red Berry in holding the world title, but he was forced to relinquish the title because of excessive weight.

Fox, who won the "purple heart" while serving the U.S. Marines in the South Pacific, has no fear—particularly from a wrestler who holds a slightly 15-pound edge in weight—Both are scientific matmen, with Fox depending more on speed and agility against such maneuvers as a potent inside whirling toe-hold employed by the Californian.

But the Varga-Fox match, although a one-hour battle, is not the most attractive dish to be served.

Expected to pack the arena to the rafters will be the knock-down and drag-out between the Jones boys—Farmer Jones of

Arkansas: Rufus "Puddin' Head" Jones

Farmer Jones, dressed in staged overalls and carrying one of his pet pigs, gets great delight in scuffling during his annual four-months vacation from his Arkansas farm. He delights in toppling opponents with the use of his trained toes and feet he learned to employ while scuffling with his hillbilly neighbors. But Saturday night will be different. It will be a serious pleasure in disposing of the Negro head-butting villain. Local ringbirds predict one of the most bitterly contested skirmishes in many, many months—a Donnybrook packed with action and color.

Ray Steele, former heavy-weight champ who has beaten such men as Strangler Lewis and Jim Londo, has been signed to referee. He is presently fishing in the area. The opener between Varga and Fox gets underway at 8:30 p.m.

Clerks Union Will Vote on Pay Hike

TACOMA, Oct. 22.—More than 1,000 members of Local 367, Retail Clerks Union, will meet tonight to vote on a wage contract proposal which is expected to end Tacoma's 10-week-old department store strike.

Agreement on the contract was reached Thursday at a meeting in the Seattle offices of the National Labor Relations Board.

The contract agreement, which increases the clerks' pay 7 1/2 cents an hour, retroactive to June 1, 1948, and carries a vacation improvement clause, will open 10 of Tacoma's larger department and specialty stores early next week if it is ratified by the membership of Local 367 tonight.
