Striking Miners Stone Republican Guards

(NEA Telephoto)
Communist-led striking coal miners hurl rocks to fight off advancing Republican Guards (circles) during continued riots at St. Etienne, France. Additional troops from North Africa are reported being flown into the area.

Endurance Flyers Refuel

(NEA Telephoto)
Endurance flyers, Fred Vinmount and Bert Simons, fly over their refueling car at Longview, Texas, to make a gas pickup. The gas is hoisted to the plane by a hooked rope which snags the five-gallon can from the standards on the car. They have been up about 447 hours in an attempt to break the previous record of 728 hours.

FARM EQUIPMENT

Here's a good way to use time whenever other farm work is slack. In one day you can cut a huge pile of cordwood or fence posts with this rugged fast-cutting Dearborn saw... for your own use or to sell.

We'd like to show you how quickly this saw attaches to the Ford Tractor... and how easily it lifts by Hydraulic Touch Control for fast transport right into the woodlot. Then you lower it just as easily, the belt tightens automatically... no lining up needed... and you're ready to saw. We say this is the best, most economical saw outfit on the market. See us soon.
