At Mount Baker, 115 cars were reported covered by snow that fell throughout the weekend, but

billions of dollars over the next few years.

The basic view of American authorities at the moment is that Chiang is responsible for his own failures in the civil war. Their contention is that his defeats have not been due to a lack of American equipment or even American advice but resulted rather from his failure to liberalize his government and provide a confidence-inspiring leadership for his people.

Higher Taxes in Store For Corporations

Republican fight in the 80th Congress against President Truman's requests for mandatory anti-inflation powers.

O'Mahoney, who has steadily backed Mr. Truman's plea for an excess profits tax on corporations, said he will introduce such a measure after the Democrats take over Congress January 3. He said he plans to propose a levy about one-half the wartime rate.

More Revenue Essential

The senator said other members of congress who are objecting to these "in peacetime" are avoiding the facts.

"Winning of the peace is the biggest job this government has to do," he said. "The government can't do it unless it has ample revenues. With the world in its present state of turmoil and the peace treaties not yet written, it's idle to talk in a glib manner assuming we are at peace."

O'Mahoney said he expects business, industry, employment and profits to stay at "present high levels providing we don't cut off the purchasing power of the millions in the lower income groups."

CORVALLIS, Ore., Nov. 29.—(P)—James R. Daffin, five-week-old son of Mr. and Mrs. Clifton Daffin of Toledo, strangled to death here Saturday night when he fell from a car seat into a pool of milk.

Police said the parents had gone to a local cafe, leaving the infant and a two-year-old brother in a parked car. The baby had been left with a bottle and apparently rolled off the back seat of the car his face in a pool on the floor formed by the spilled milk.

CLEAN SWEEP: The University of Washington Crews won all three races at the Poughkeepsie Regatta to make a clean sweep of the river. This is the first time any college has won all three races. The Husky Varsity came from 6th place at the mile mark to overtake California in the last 1/2 mile and win by boat length, in the 4-mile feature race.

YAKIMA TOPS: In a Statewide telegraphic golf meet for women, the 8-woman golf team from the Yakima Country Club placed first with a total of 41 down. The women from the Bellingham Country Club were second and the Broadmoor women's team from Seattle placed third.

DAUGHTERS NAMED: Roy Daughters, swimming coach of the Washington Athletic Club, is appointed coach of the Women's Olympic Swimming Team, which will compete in the Olympics to be held in Berlin. Daughters succeeds Louis De S. Handley of New York who had to resign for business reasons.

LASH LOPES: Don Lash, distance runner for the University of Indiana, set a new world's record for the 2-mile run when he ran the distance in 8:58.3. This clips 13 1/2 seconds off the record set by Paavo Nurmi, the great Finnish runner.
