

Rich Pitchblende Find Reported In Colorado Region

NEW YORK, Dec. 7.—(AP)—A claim of discovery of a rich source of uranium in Colorado is made in an article in Look Magazine published today.

The article says a vein of pitchblende, the best source of uranium for atomic bombs or energy, was found deep in the abandoned old Caribou Hill mine near Boul-

der. It was made in new explorations there, in search of silver and other metals, by the Canadian Radium and Uranium Corp.

The author, Nat S. Finney, says "Now it is safe to say that America has, within its own frontiers, the natural resources it needs for the atomic age."

He says, however, that the find hasn't yet been completely explored. He mentions specifically only one vein exposed along part of a 100-foot distance. Finney says geologists "have reason to believe" that it is part of a deposit that would yield more than 500 tons of pure uranium oxide.

Boris Pregel, corporation president, in response to questions said this estimate was not in his opinion warranted by any facts. He added he believed the silver found in the mine would be more valuable than the uranium.

In Washington the office of the Atomic Energy Commission said it has not yet completed its appraisal of the Caribou situation. Even after such reports are completed it has not been the custom of the AEC to make them public.

The president pictured his own Peronista Party as emerging from Sunday's constitutional elections with ample successful candidates for the constituent assembly. Political observers expressed belief the Peronistas won 109 of the 158 seats at stake. This would be the highest possible representation for a single party under the Argentine electoral system.

The assembly will convene in March to rewrite the 1853 constitution. Under the present constitution, Peron, who has been in office two and one-half years, could not be a candidate in 1952, but would have to wait six years. His partisans say they intend to change that to make him eligible for another term right away.

The radical party, Peron's chief opposition in the election, we believed to have captured 49 seats. The Communist party, which presented a slate of candidates, presented no claims of winning any of the seats, but said it was satisfied with its turnout.

British statesman Cecil John Rhodes went to Natal in 1870—the year diamonds were discovered in the Kimberly fields—and the next year struck it rich. Before he was 19 he was financially independent.

Bivins, Maxim To Battle Tonight

CLEVELAND, Dec. 7.—(AP)—Heavyweights Jimmy Bivins and Joe Maxim trade punches in a 10-rounder here tonight with the winner becoming a strong candidate for a bout with Joe Louis next June.

It's almost a certainty that the victor will fight Jersey Joe Walcott here next month. In one of

a series of eliminations to find a suitable opponent for Louis.

Jersey Joe, who has been in light training since his last clash with Louis, defeated Bivins here in their only clash three years ago and won decisions over Maxim in two of three battles.

The 28-year-old Bivins took the measure of virtually every top-ranking active heavyweight while Louis was in the Army, then went into a decline after entering service himself.

In recent months the Cleveland Negro has displayed some of his

old form and was impressive in a six-round exhibition bout with Louis here a few weeks ago. He and Maxim tangled once before, in 1942, and Bivins took the decision.

Reckless Driving Charge Faced by U. S. Senator

MUSKOGEE, Okla., Dec. 7.—(AP)—A man identified as U. S.

Sen. John Chandler Gurney (R-S.D.) was released on \$75 bond Sunday following his arrest by Deputy Sheriff Vic Wilson for reckless driving.

Wilson, a Muskogee County officer, said he stopped Gurney after a 90-mile-an-hour automobile chase near Taft, in Muskogee County. He said the man produced papers identifying him as Senator Gurney.

More than four times as much life insurance is now owned in the United States as in 1920.

World's first car with Super-Lounge Interior, Twin Beds... Cockpit Control... Uniscope... Girder-built Unitized Body-and-Frame. Get the new thrill of Uniflo-Jet Carburetion—and fuel efficiency of more than 25 miles a gallon at average highway speed!

Nash Airflyte

GREAT CARS SINCE 1902

Nash Motors, Division Nash-Kelvinator Corporation, Detroit

You bet it's exciting. About the biggest, longest, lowest, roomiest car you've yet seen—

But wait! You don't know the half of it!

You don't know what driving's like, until you look out through this big, new, one-piece, curved windshield, and feel that great engine come to life!

You don't know what comfort is, until you feel the magic of coil springing at all four wheels—and enjoy the new wonders of Nash Weather Eye Conditioned Air.

You don't know what economy is, until you see this great, massive Nash "600" turn in an amazing 25 miles to the gallon at average highway speed!

You don't know what fun a car can be until you drive a new 1949 Nash Airflyte. Here at last is postwar motoring that lives up to your fondest anticipation!

Don't put it off. Get your name on the list today!

The Nash Airflyte for '49 comes in two great series—the Nash "600" and Nash Ambassador.
