For our money, that's the way to "pull one out of the hat". You can depend on it that any one with gumption enough to put one over on a musician, also has common sense enough to buy his camera supplies right here!

If you want some really natural inside shots—stuff that's usually hard to get—come in and let us show you what flood lights can do for you. Shots of the baby, inside snaps or movies of parties—they're easy if your lighting is right.
