Chinese Tientsin Garrison Rejects Demand of Reds

By HAROLD K. MILKS NANKING, Jan. 13.—(AP)—Radio reports from Tientsin Wednesday said the Tientsin national garrison had rejected a three-point proposal for the surrender of that North China city to the Communists.

to give up the city of 3,000,000 if they were permitted to be evacuated "with light arms" through the port of Tangku, 27 miles from Tientsin. The radio added that the Communists originally offered to accept the surrender on these terms: That Nationals lay down their arms within the city; all military supplies and equipment be protected for handing over to the Communists, and the lives of all National soldiers who obey these terms will be protected. The exact situation in Tientsin was still confused here but it

appeared the eventual surrender was being arranged under the pressure of the people's demands. The peace move by the people themselves at Tientsin may set the pattern for settlement of China's Civil War on a national basis. It is obvious to observers here that the government is not making any progress toward a negotiated end of hostilities. It is equally apparent that the four big powers—reportedly asked last Saturday by Foreign Minister Wu Te-Chen to help bring about a meeting between the Na-

tionals and Communists—will shy away from participation in a squabble which has brought only extreme unhappiness to outsiders who interfered.

FIRE DESTROYS MILL LAKESIDE, Ore., Jan. 13.—(AP)—Fire of undetermined origin destroyed the Thomas W. Rugh Lumber Company mill at this Coos county town Monday. Rugh estimated loss between \$30,000 and \$40,000. He said it was not insured.
