

Indians to Battle Klamath Falls In First Acid Test

Tonight, Roseburg basketball fans will be treated to a red-hot performance at the Senior High gymnasium, as the Indians pit hardwood skills against one of the best casaba outfits in the state.

The Klamath Falls invaders are out to defend a record of many wins and few losses and Coach Jack Newby will have to dig deep into his bag of tricks to stop a possible high-scoring tide that may be engineered by Klamath Falls casters.

The Indians get their first severe test of the season tonight and every member of the squad is aware of that fact. Coach Newby spent a good part of the week developing a defense against members of the opposition who are noted for their damaging backboard work but the veteran Klamath Falls aggregation will not be easy to beat.

Daryl Black and Clint Agee will be depended upon to furnish a lot of backboard power along with Don Hubbard, while Bob Schindler may be expected to toss a couple through the net from mid-court. Dexter Gary will fill out the starting complement at guard position. Other casters sure to furnish power in the punch are Neil Wissing, aggressive reservist with a good gift-slot record, and Dale Blauk, lacking experience, but quite capable of confusing the opponents.

The jamboree got under way with girls volleyball. Each contest was limited to five minutes in the round-robin play. Order of participation and score was: Fullerton 15, Edenhower 7, Rose 24, Benson 0, Riverside 17, Rose 3; Fullerton 15, Benson 0; Edenhower 9, Benson 8; Fullerton 15, Riverside 1; Rose 11, Fullerton 7; Edenhower 8, Riverside 5; Benson 4, Riverside 4; Rose 15, Edenhower 2.

Paposes Readied For Tilt at Cottage Grove

Hod Turner's Paposes will be ready for Cottage Grove Saturday night, according to locker room gossip, although the lads expect a tough battle on their hands.

The Junior High cagers put in an intensive week of practice and should put on a good show against the classy north city club.

Possible Papose starters include Eddie Nolte and Leroy Elting, forwards; Ronald Compton, center, and Louis Ripberger and Jim Roberts, guards. Other players who may make the trip are Jim McKinney, Skip Dalros, Gene Wilkerson, Bill Drake, Dick Jacobson, Chuck Gallup, Larry Fisher and Merle Hampton.

Fullerton, Rose Teams Top Winners At Jamboree; Losing Schools Show Need of Physical Training Layouts

By DON MINDOLOVICH

The Roseburg Grade School jamboree held at Senior High last night was hailed a great success by those in attendance. A capacity crowd saw the colorfully clad grade school teams stream onto the floor and clash for the glory of their school. Fullerton and Rose proved to be the two outstanding teams on the court, winning both the basketball and volleyball contests. The two schools vied for top honors by each winning three volleyball games while losing one and by winning two basketball games, while tying one.

Edenhower girls were second with two wins and two losses, while Edenhower boys placed second, with one win and two losses. Riverside boys didn't participate in the jamboree, as they were unable to practice due to a lack of physical training facilities at their school. Fullerton and Rose schools, tied for first place, are reported to have the only adequate physical training facilities where the pupils can get the amount of training required by school board standards.

Neither Edenhower, Riverside nor Benson school has any physical training facilities to speak of. Observers said, however, the pupils representing those schools did well last night, in spite of the handicapping conditions existing at the respective schools, as regards physical training. Fans exhorted their respective teams to win, and the jamboree was continually punctuated with roars of approval or dismay, depending on who held the edge or what team scored.

Coaches were Eli S. Hall, Rose; Lyle Eddy, Fullerton; Levi L. Ohman, Benson; Earl Ladd, Riverside; Mrs. Fisher, Bob Schindler and Don Hubbard, Edenhower.

Coach Cece Sherwood said league play starts next week for the grade schools, with girls volleyball on Tuesday and boys basketball scheduled for Thursday. Games will start immediately after school.

Fire Destroys Official Building at Umatilla

UMATILLA, Ore., Jan. 21.—(AP)—Flames of undetermined origin yesterday destroyed an old frame building here housing the City Hall, a state liquor store and a branch library.

City Recorder Mrs. Mary Nell was able to save all city records. No attempt has yet been made to estimate total damage.

Canyonville Cubs, Glendale Divide

The Canyonville Cubs split even with Glendale, winning the basketball game, 24-23, while dropping a volleyball tilt, 21-5. The girls were completely outclassed, but put up a game fight.

The eighth grade boys came from behind to win a knock-down and drag-out battle at Canyonville. It was their third consecutive victory without a single defeat. Behind 8-1 at the quarter and 14-3 at the half, the Cubs staged a third quarter rally and gained a 22-18 lead. The first half was all Glendale, with the Cubs either bottled up or missing their shots.

Cooper was Glendale's star with 15 counters. He was effective on the backboards. A return match will be played by the two teams in two weeks.

Riddle Irish Triumph Over Glendale Pirates

The Riddle Irish defeated the Glendale Pirates, 41-6, in a volleyball game played at the Riddle gymnasium Tuesday. The Riddle girls served first and made nine points before Glendale scored. The halftime count was 19-2 in favor of Riddle.

Doris Hollingsworth was high point girl for Riddle, with 10, while Nadine Caraway paced the Glendale team with two counters. Lineups—Riddle: Gladys Rupp, 6, Ardeth Atkins 4, Doris Hollingsworth 10, Jennie Howard 8, Marjorie Boyd 8, Laurel Zumwalt, Velma Harper 1, Doris Gil-

Snow Bans Log Trucking From Loon Lake Region

Plans of the E. K. Wood Lumber Co. at Reedsport to start trucking logs from their winter storage on Loon Lake this week failed to materialize, due to the condition of the county road reaching from the lake to the Umpqua Highway at the mouth of Mill Creek.

Snow was removed from this road Monday when a county maintenance machine equipped with snow plows was used under the direction of Clyde Rydell of Reedsport, road patrolman for the district.

But the roadbed was still frozen in most places and it was feared that the use of heavily loaded logging trucks on the gravelled surface would result in considerable damage to the road if allowed before the road thawed out and was in better shape.

Junior Varsity Will Battle Elkton Tonight

The high-flying Junior Varsity, coached by Norm West, take to the road tonight, for a game against a crack Elkton Elks' outfit. The Jayvee cagers are out to win number nine tonight, but the lads are concerned about reports the Elks are ready to break the Warriors' winning streak.

Jayvee Cagers Buddy Mathews and Kee Briggs, forwards; Bob Scott, center; and Ronnie Strickling and Jerry Sconce, guards, may form the backbone of tonight's traveling aggregation, but not to be overlooked are Don Campbell, Tom Johnson, Larry Henninger, Lloyd Stumbo, Mickey Coen, and Gordon Conley as potential threats to Elkton win hopes.

Other Douglas county games scheduled for tonight are Canyonville at Myrtle Creek, Camas Valley at Glendale, Riddle at Days Creek, Yoncalla at Gilde and Drain at Oakland.

Wrestling Bill Will be Topped By Title Battle

The Roseburg Armory is certain to be packed to the rafters Saturday night when the coveted Coast Junior heavyweight wrestling championship crown will be at stake. This skirmish, between Challenger Herb Parks and Champion Frankie Stojack, has been in demand by Douglas County grappling followers for many weeks—and the lid comes off Saturday.

Matchmaker Don Owen has signed a sparkling supporting program, opening at 8:30 p. m. with a one-fall engagement between Parazan Zimba, colorful Hungarian, and Pantaleon Manlapog, believed to be the only Filipino now appearing in professional wrestling. Filipinos are seldom large enough to compete in the mat sport, but Pantaleon is said to be capable of holding his own against any 180-pounder. Zimba, who covers his hairless head with a toupe of a color to match the hue of his tights, will furnish the newcomer from the Philippines with plenty of action.

Riddle Cagers Break Glendale Victory String

Undeclared Riddle beat up-to-then-undefeated Glendale, 24-16, in a B League game at Riddle Tuesday night.

Riddle's record to date is seven wins and one loss at the hands of Myrtle Creek's A team in a close game.

The Riddle-Glendale contest was rough with both teams committing 18 fouls. Riddle started slowly and Glendale jumped to an early 10-2 lead. Riddle narrowed the gap in the second quarter, trailing by three points at the half.

The Riddle defense started to click and they headed Glendale, going on to win.

The lineups: Riddle (2): (18) Grandale (14) Pruner (13) Henning (12) (11) Henning (10) (9) Henning (8) (7) Henning (6) (5) Henning (4) (3) Henning (2) (1) Henning (0)

Substitutions—Riddle: Carter (6), Glendon (7), Erickson (8), Lyle (9), Kddy (10)

Officials—George Erickson and Lyle Kddy.

Major interest, of course, will be centered around the championship battle in which Parks is determined to dethrone the titleholder. Stojack is not invulnerable, having lost the title about six months ago but won it back the following week. The Tacoma cabinet-maker has seldom been defeated and is always at his best when the blue chips are down—and they'll be on the block Saturday night.

Parks has a great local record, having won his last six matches.
