KRNR
DIAL-LOG

First off—let's get this straight, Gate—Should you be among the "wondering ones"—the ones who wonder, that is, when news of local happenings, weather forecasts and such can be heard—this part of today's "Dial Log" is dedicated to you. KRNR has three local newscasts per day—one at 7:30 a. m., another at 12:40 p. m., and a final report at 6:25 p. m. These are a regular Monday through Saturday scheduling. News in the world of sports can be heard Monday through Saturday at 12:30 p. m. and 6:15 p. m. plus a 7 to 7:15 p. m. Sportscast on Tuesdays and Thursdays.

Alan Ladd will mosey around "Box Thirteen" again tonight at 7:30 to see who's in need of help this time. The suspense and excitement would be dulled somewhat should he find his income tax form therein, but of course that can't happen—the script is already set up. "Can You Top This?" hits the 8 o'clock slot, followed up by the last in the series of "The Adventures of the Thin Man," at 8:30.

Tomorrow night's broadcast of "Family Theater" at 6:30 will star Lionel Barrymore heard in "Mayor of the Town" Sundays, 7 p. m.). Mr. Barrymore and Dean Stockwell will be featured in lead roles for a drama based on the early life of impresario David Belasco, "The Melancholy Clown." Lisbeth Scott will be hostess for the show. "What's the Name of That Song?" is another sure bet for Wednesday evening's listening... hear it 8 to 8:30 p. m.

Now, if we may be so bold... may we ask that you re-read the first paragraph... and that does it for today.

WHEN FATHER
CALLED NEW YORK

How in a few short years, Long
Distance has speeded service,
improved clarity, lowered rates

2. Today it's just as easy to talk across the nation as it is to talk to someone just across the table from you. Continual improvements in the telephone instrument you use, in telephone lines and cables, in voice-boosting equipment along the way, make a normal voice carry 3,000 miles or more with ease.

4. Takes less time today to get your connection. Now calls go through in an average of less than two minutes. These are just a few examples of the way telephone service grows in value... becomes a better buy. A local call still costs just a few pennies. Compared to other prices, telephone service is one of your biggest bargains today.

3. Rates have gone down amazingly. In 1918, Father paid about \$18.00 for the miracle of talking Coast-to-Coast. Worth it, too. By 1928, we'd been able to drop rates to about \$9.00 for a three-minute station daytime call. And today you can make the same call for just \$2.50, plus tax. Here's one of today's big bargains.
