Wages Believed At Postwar Peak Along With Prices

WASHINGTON, Jan. 29—(AP)—The economic winds stirred up a hint yesterday that wages, like prices, may have reached a postwar peak. In some cases, they may have started a downward trend.

More than 300,000 auto and electrical workers of the General Motors Corp., stand to take a two or three-cent an hour pay cut on the basis of the government's declining cost-of-living index.

And officials of at least one major union, the CIO's Amalgamated Clothing Workers, said they have decided against a fourth round of postwar pay boosts because of slackened demand for men's apparel.

"We're practical realists, you know," one clothing union official told a reporter. "We've decided against asking for any new wage increase now, even though our members feel the price pinch, too, because right now our industry is soft."

Officials of the union, holding a powwow here, said consumers have had to pay so much for food in the past year they had little left to buy clothing.

The clothing workers are the fourth largest CIO union; only the steelworkers, auto workers and electrical workers unions are larger.

Pay cuts for the auto and electrical workers employed by General Motors appear imminent because their wages are tied by agreement to the government living cost index.

The index took its third straight monthly decline Thursday to 171.4. This covered December prices and was one-half of one per cent below November and 1.8 per cent below the August-September peak.

Metz Must Use All Skill To Protect Golf Lead

PHOENIX, Ariz., Jan. 29.—(AP) Jaunty Dick Metz throws all of his 23 years professional golf experience into play today to protect a thin lead in the $10,000 Phoenix open golf tournament.

Yesterday the beret bedecked veteran now playing out of Virginia Beach, Va., styled a three-under-par 68 for a total of 137.

Just one stroke behind came Sweet Swinging Sammy Snead of White Sulphur Springs, W. Va., whose putter lost him a chance to stay in the lead for a second straight day.

Slammin' Sam needed 70 strokes on his second 18-hole round when a misbehaving putter cost him good chances for birdies on five holes as it failed to warm up throughout the day.

Lumbermen Urged To Bring Down House Costs

PORTLAND, Jan. 29.—(AP)—Lumbermen were urged yesterday to dream up new ways to bring down the price of houses.

Arthur A. Hood, Chicago, editor of the American Lumberman, declared that the cost of housing and the drop in sales will force changes in the light construction field.

"Actually only 27 per cent of the price paid by the consumer for a new, small home is for the cost of materials and mechanical equipment at the factory," Hood told the West Coast Lumbermen's Association.

"This proves that, besides seeking more efficient manufacture, we've got to do something about the cost of distribution and construction."

SETS RECORD

MELBOURNE, Australia, Jan. 29.—(AP)—Lloyd Labeach, of Panama, set a new Australian record of 9.5 seconds for the 100-yard dash. He clipped one-tenth of a second off the old record held jointly by three Australians in winning the Victorian amateur 100-yard title at Saint Kilda cricket ground.

SIGNS CONTRACT

NEW YORK, Jan. 29.—(AP)—Wally Hood, right-handed pitcher for Southern California a year ago, returned his signed contract to the New York Yankees today. After leaving school in June, Hood pitched for the Newark Bears of the International League where he won six and lost five.
