SNAPPER

Sucker! Snapper is a psychologist, too. He knows that people like to look into things that don't concern them and he capitalizes on that fact. Now if you're a camera enthusiast, too, let's look into something that does concern us both—our store. We're frank about wanting your camera and camera supply business and we try to merit that business by carrying a stock of merchandise that offers you a real selection!

Clark's Studio again have the famous View Master and reels in stock. Come in and get yours today.

Wilson Is Transferred To Post at Aberdeen

Harry W. Wilson, former Roseburg resident, has been transferred as manager of the Western Union Telegraph Co. office in The Dalles to a similar position at Aberdeen, Wash. He will start his new duties Feb. 7.

Wilson formerly was employed in the Roseburg office of the Western Union Telegraph Co. and attended the local schools.

Richard Wagner was 17 years old when his first overture was performed, in a Leipzig theater.

KDND

DIAL-LOG

The "Mutual Newsreel" starts on KRNR tonight at 6:15! Hear the news as it actually happened—where it happened—when it happened—recorded "on the spot." "Mutual Newsreel" will be a regular feature on KRNR 6:15 to 6:30 p. m. Monday through Friday.

The evening "Sports Page" has, of necessity, moved to 6:30 p. m. with "State and Local News" at 6:40. "The Fishing and Hunting Club of the Air" will be heard hereafter on Mondays at 7 p. m. "Let George Do It" will be heard tonight as usual at 8.

Tomorrow at 5 p. m. and each Tuesday and Thursday at 5, "Straight Arrow" picks up his bow and sling to make a direct hit in this new time period. He'll be heard 8 o'clock Friday night, too—thus creating a thrice-weekly airing of "Straight Arrow" on KRNR. "Jovin Jamboree" moves to Tuesday night too, in the 8:30 to 9 p. m. period. The gal or lad-of-the-week featured on the program will be announced tomorrow.

Looks like February is Father's Month on "Queen for a Day" Fathers, the so-called "Heads of the Household," will all be eligible for the highest honors on the Cinderella show. Each day, they'll select and honor one father, by presenting him with a 157-piece bait and fly fishing outfit. The winners will be selected from among names submitted to the program by its listeners. How 'bout sending in "Pa's" name while this deal's going on? Send mail in care of "Queen for a Day"—Don Lee Broadcasting System 1313 North Vine Street, Hollywood 28—or in care of KRNR.

CIGARET COUGH? YES

DENVER, Feb. 7.—(AP)—Yes, there is such a thing as a cigaret cough.

The Colorado State Medical Society said so in its latest bulletin. Any cough, said the society, is a reaction to an irritant and in the case of the cigaret cough, smoke is the irritant.

The bulletin said most physicians say no good comes from smoking — and most doctors smoke. The nub of its advice was — "Abuse throat and lungs as moderately as possible."

Drive on 'Slots' Forces City to Pay in Warrants

PRINEVILLE, Ore., Feb. 7.—(AP)—The drive against pinball machines and other gambling devices forced Prineville to pay city employees in warrants this month.

The city council reported its payroll fund short, now that there is no more revenue from licenses on the machines. The Crook County district attorney had ordered such devices removed.

Councilmen said the city coffers would be replenished soon by turn over of county taxes to the city. Mayor A. D. Vaughan, a Baptist minister, suggested a business or occupation tax in Prineville might compensate for the loss of pinball revenue. The council is studying the matter.

Killer of Sweetheart Sentenced to Insane Ward

SEATTLE, Feb. 7.—(AP)—Vernon S. Allen, 42-year-old former Navy technician, was sentenced yesterday to the criminally insane ward at the State Penitentiary by Superior Judge Robert M. Jones.

Allen, who admitted killing his sweetheart, Lieut. (Conrad) Margaret Jones, 41, at that time ranking War officer of the 13th Naval District, was found insane by reason of insanity by a jury in Judge Jones' court January 20.

Miss Jones and Allen had been childhood friends in Spokane.

Discovers Miniature Device for the Deaf

Chicago, Ill.—A big improvement has been made in a new device now welcomed by thousands of deafened. It is so small it fits in the palm of the hand. Its clear noiseless tone is so efficient that even faint voices are understood. With it thousands now enjoy music, sermons and friendly companionship. Finger tip controls permit you to adjust it instantly to changing sound conditions. Accepted by the American Medical Association's Council on Physical Medicine. The makers of Bel-tone, Dept. 33, 1450 W. 19th St., Chicago 8, Ill., are so proud of their achievement, they will gladly send you free descriptive booklet on how to overcome deafness and explain how you may try this miniature device in the privacy of your home without risking a penny. Write Bel-tone today.
