

Track Meet At Eugene Draws RHS Thinclads

Coach Jack Newby will depend upon 13 Indiana cindermen to bring home the bacon for Roseburg High at the District 4 meet today at Eugene.

The local trackmen left with the coach and two managers early this morning for the University of Oregon Campus. Preliminaries are scheduled for 10 a. m., followed by the finals at 2 p. m.

First and second place winners at today's meet are eligible to participate in the state meet next week, which will be held at Corvallis.

Over a dozen schools will attempt to place in today's crucial track and field tussle. Expected to participate in addition to Roseburg are Eugene High, Springfield, Cottage Grove, University High, Coquille, Marshfield, Myrtle Point, North Bend, Sutherlin, Reedsport, Junction City and Elmira.

Roseburg participants will include the following:

- 100-yard dash—Bill Van Horn, Doc Davis.
- 220-yard dash—Van Horn, Davis.
- 440-yard run—Larry Palmer, Jim Shrum.
- 1 Mile—Irvin Stritzke, Nell Sheets.
- High hurdles—Don Hubbard, Kenny Payne.
- Low hurdles—Hubbard, Rick Standley.
- Broad jump—Hubbard, Van Horn.
- Shot put—Sid Smith.
- Discus—Jaek Mathis.
- Javelin—Bob Sconce, Clint Agee.
- Relay—Hubbard, Standley, Van Horn, Davis.

Sophomore managers Dennis Hayden and Bruce Romine accompanied the track men "for the experience," Newby said.

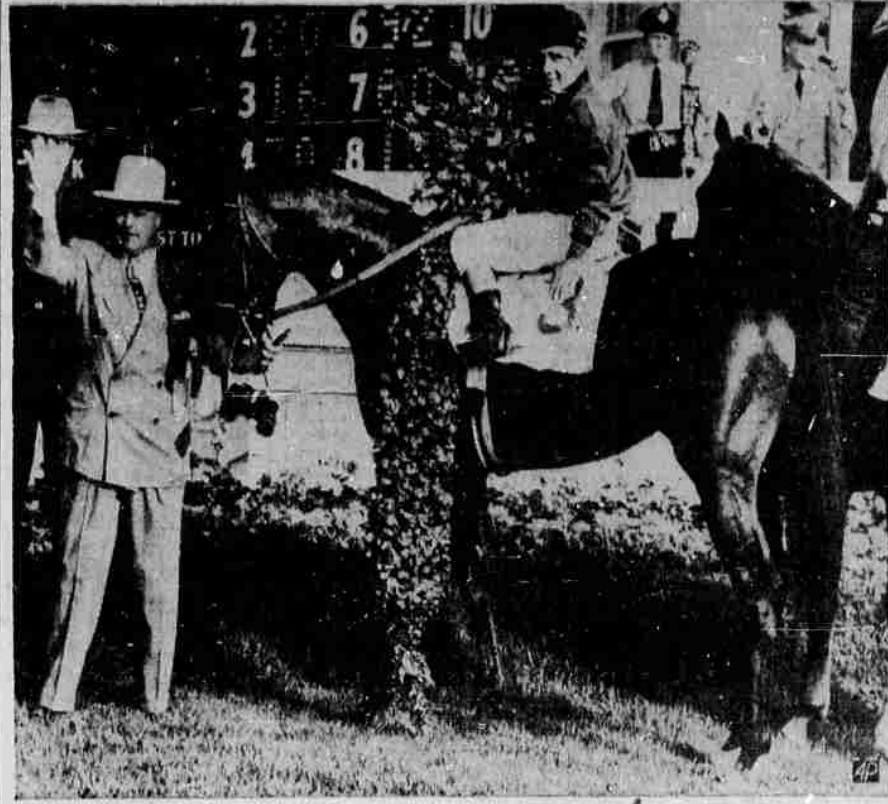

Cougars Defeat U. of O.; Huskies Down O. S. C.

(By the Associated Press) It was Washington State College all alone today at the top of the Northern Division, Coast Conference, baseball ladder.

The Cougars broke away from Oregon's Ducks yesterday by taking a 1-0 decision from winless Idaho at Moscow. The win gave WSC a half game lead over the Oregonians.

At Seattle, Washington's Huskies ended their home season on a note of triumph with a 6-5, 10-inning decision over Oregon State. The Beavers had tied it up in the ninth on pinch-hitter Ray Snyder's home run.

NEW YORK—Babe Ruth holds the record for receiving most bases on balls in a season—170.

American soldiers in Germany recently heard the charming voice of an American girl over the radio, telling them what they were to do in the muck of foxholes when they could be relaxing in luxurious comfort if they'd only desert to the enemy. She was "Aggressor Aggie," the young lady pictured above. Actually a member of the U. S. Army, she was playing Axis Sally's wartime role to give Yanks on large-scale maneuvers an idea of the sort of baloney they'd hear from enemy broadcasters in a real war.

Sutherlin Beats Kirby, Loses To Central Point

Sutherlin High School baseballers lost one and won one over the weekend, in J.D.J. League games played at Sutherlin and Kirby.

Friday, Coach Bob Brigham's Bulldogs were cut down 11-2 by Central Point. Sutherlin traveled to Kirby Saturday, and romped over the Kerbyites 9-3.

Despite the loss of their regular shortstop and second baseman, both out with injuries, the Bulldogs reportedly looked better than ever in the Saturday game.

Sutherlin pitching continues to be a Bulldog strong point in spite of adverse scores. Tommy Haskett and Wally Beamer have done creditable jobs in this department. Support from Dick Grover, is not to be underestimated, Coach Brigham reports.

In the hitting division, Keith Gelder continues to pace the Bulldogs with able support from Earl Plueard, Haskett and Beamer.

The Bulldogs play Myrtle Creek today and Central Point Saturday. Both games will be played at Sutherlin, starting at 2 p. m.

Sam Breadon, Ex-Owner Of Cardinals, Dies

SAM BREADON

Sam Breadon, the David Harum of the baseball world, is dead.

The 72-year-old former St. Louis Cardinal owner died of cancer last night. His wife and their daughter, Mrs. Robert E. Goss, were at his bedside.

In 27 years as head of the Red Birds, including some lean ones in the old days, Breadon led the club to nine pennants and on six occasions went on to a world championship.

From a \$200 initial investment in 1917, Breadon built up the club to a \$3,000,000 organization—the amount he is reported to have received from Robert Hannegan and Fred Saigh in 1947. Saigh later bought out Hannegan.

Breadon became president of the Cardinals in 1920 after he had purchased a majority of the stock. He replaced Branch Rickey who had been president. Rickey held his other job of manager.

In 1925 Breadon brought Rickey into the front office where the pair made the best office team the sport has seen.

Together they started the farm system under which minor league clubs were helped financially or bought outright. Through this system the Cardinals got the players who carried them into so many pennants and the money that put the club on a sound financial footing.

Sunday, the Chiefs oppose Medfield in a League opener here at Finlay Field. Manager Earl Sargent said the Chiefs are not yet up to full strength, as several newcomers are expected to be included in the lineup immediately after "school is out."

A couple of pitchers and infielders will bolster Roseburg's lineup in a few weeks. However, Sargent emphasized, the present assortment of players "have a lot on the ball" and should give a good account of themselves both tonight and Sunday.

Tentative starting lineup will include the following players: Lovell Baker, third base; Hal Edgar, center field; George Sanders, shortstop; Norm West, first base; Jerry Huggins, right field; Pete Coor, catcher; S. Long, left field; Chuck Schofield, second base; Roy Long, pitcher.

Necessity Of Angler Data In Study Of Umpqua Stressed At Club Session; Progress Made In Game Refuge Plans

Anglers may not think it important to fill out catch cards, but the information they supply may prove vitally important at some future date.

"If a federal agency should move in with a proposal to put high dams in the Umpqua, it might be difficult to prove the value of our sports fishery," Ross Newcomb, Game Department field agent in charge of the Umpqua River study, told members of the Roseburg Rod and Gun Club at its regular meeting Tuesday night.

"It has been extremely difficult for us to produce facts and figures showing the value of the recreational fishery on streams where dams are proposed," Newcomb said. "The cards we distribute, seeking a report from anglers are not so much to secure data on the number of fish caught, but, rather, to learn the number of people fishing, the hours spent, etc. so we will have some knowledge of the actual use of the river. This information may prove extremely valuable at some future date."

Newcomb told Rod and Gun Club members that approximately 22 per cent of the cards so far distributed have been returned, and that a much larger percentage is desired.

Reporting on fish migrations, Newcomb said the four-year study has given definite proof that the movement of fish is in direct ratio to water temperatures.

Refuge Plan Program Kenneth Gilkeson, club president, reported good progress on the bird refuge program. Several acres have been planted to various types of grain; the Mul-tiffers and Bonfire rose hedge, which will border the club grounds, have been planted and are showing good growth, and coops and a water system are being installed to handle young birds.

He repeated the warning that the club grounds have been baited with poison, to kill off predatory animals before approximately 2,000 young pheasants are released, and stated that no dogs should be brought into the grounds so long as the poison is present. The club grounds have been declared a bird refuge and

will be used for natural hatching of pheasants and quail. The work is being done by the State Game Commission.

Later in the season, Gilkeson said, hunters will be allowed to work hunting dogs on the grounds to help scatter the birds, but no shooting will be permitted.

The club ratified the constitution of the newly-organized Umpqua Basin Conservation Council, a central coordinating agency for all sports groups of Central Douglas County, and authorized the local club's membership in the council.

It was voted to again sponsor a 4-H club scholarship.

Following the business session, motion pictures were shown by Jack Boor, Johnson outboard motor dealer, and Ken Gilkeson, who had films of club activities and salmon fishing.

Refreshments, furnished by Boor, were served at the conclusion of the program.
