Will Sing Here Friday Night

Igor Gorin

The Roseburg Community Concert Association will present Igor Gorin, famed radio, concert and opera baritone, at 8:15 o'clock Friday night, May 13, at the Junior High School auditorium in the closing concert of the season.

Born in Grodek, in the Ukraine, Gorin was taken to Vienna as a boy of six. His first musical experience was gained as boy soprano soloist in both Protestant and Catholic Churches of the Austrian capital. After his voice changed, he abandoned music for medicine; but when he was 18, he discovered that he had become a baritone of a calibre worthy of the attention of the famous Vienna Conservatory of Music, where he studied for five years.

Gorin's professional apprenticeship to opera followed in the course of three years with a small Czechoslovakian opera company with which he sang fifteen leading roles. Always enchanted by the idea of America, which up to this time he knew only from the movies, Igor decided to try his luck in the Brave New World. He had already heard Hitler speaking at the Sports Palast; instinct told him that Europe was not going to be a healthy place to live for the next decade. He arrived in this country speaking only two words of English—"Hello" and "G. K."—and for awhile found noisy New York rather tough going until he landed a featured spot on the Roxy Music Hall Variety program.

The Music Hall engagement led in turn to a 10-week NBC sustaining program, from which he was lured onto the popular "Hollywood Hotel" radio hour, where he remained for three years. The handsome young singer was at this same time under contract to Metro-Goldwyn-Mayer, for whom he made the successful musical, "Broadway Melody of 1935." Offered a Columbia Concerts contract in the season 1939-40, he has remained under their exclusive management ever since, building up a vastly expanded public not only by concert appearances all over this country and in Cuba and Canada, but by his numerous guest appearances on such major network shows as those sponsored by Firestone, Ford, International Harvester, Kraft and others. His concert repertoire ranges from Handel, Berlioz, Massenet, Moussorgsky, and Grieg to such contemporaries as Albert Hay Malotte (a close personal friend), Rachmaninoff, and Villa-Lobos, two of whose songs he is introducing this season to the North American public for the first time.

Opera also is claiming the brilliant talents of the artist, and in many performances in such cities as Chicago, Cincinnati, San An-

tonio, Trenton, Dayton, he has scored great successes in the leading baritone roles of "The Barber of Seville," "Pagliacci," "Trovatore," "Traviata," "Faust" and "Carmen."

Gorin records exclusively for RCA Victor; his repertoire on wax includes operatic arias from "The Barber of Seville," "Moussorgsky's "Khovanchina," Leoncavallo's "Il Pagliacci" and Verdi's "Don Carlos." Other Gorin performances available via Victor include such popular baritone numbers as "The Blind Ploughman," Tchaikovsky's "None But the Lonely Heart," and pop favorites like "Play Gypsies, Dance Gypsies" from Kalmán's operetta "Countess Maritza," Victor Herbert's "Thine Alone" from "Eileen" and Vincent Youmans' "Through the Years."

Gorin loves horses and spends as much time as he can with his attractive young wife—the for-

HUTCHINSONS TO CELEBRATE GOLDEN WEDDING ANNIVERSARY

mer Mary Smith of Hillsboro, Ohio, a radio actress whom he met in Hollywood—at the Emerald Valley Ranch in Colorado Spring—in the summertime; indoors, he's an expert amateur cook who likes nothing better than to whip up a tasty dish on a cold winter's evening. His other hobby is writing songs, and you may be surprised to learn that he's a member in good standing of the American Society of Composers, Authors, and Publishers (ASCAP) with twelve published songs to his credit. The well-known firm of Schirmer, his publishers, have found that of these, the most popular is a "Lullaby"; Gorin himself prefers an old Ukrainian folksong which he learned at his mother's knee, and which he has sung and recorded with great success everywhere. It's called "Vrut Vitro" (Stormy Breezes); he first sang it professionally when auditioning for admission to the Vienna Conservatory; it was on his first American radio show, was the first recording he made for RCA Victor, and is an almost inevitable encore at a Gorin recital.
