### **Gordon Clark Is** Voice Thriller In **Shalimar Debut**

Social Club To Meet — George Starmer Auxiliary Social Club will meet at a 1 o'clock luncheon Saturday, May 14, at the home of Mrs. W. Shugart, 724 Cobb Street. An otherwise apathetic crowd came suddenly to attention Tues-day night when the voice of Gor-don Clark, making his initial ap parance at the Shalimar, came over the loud speaker.

Rummage Sale—The Camp Fire Girls of Roseburg will sponsor a rummage sale at the Episcopal Parish hall Saturday, Mrs. Stan-loy Glick and Mrs. Tom Pargeter will be in charge. Those having rummage may bring it to the hall early Saturday morning or leave it with Mrs. Pargeter, 318 East Douglas street. over the loud speaker. Patrons were amazed to hear what sounded like a combination of Nelson Eddy and Buddy Clark, with a touch of Bob Hope in the interlude. Playing a special per-formance Wednesday afternoon and again at his evening pro-gram Wednesday night, Clark demonstrated fully his ability to cover the range from a Nelson Eddy baritone to the trilling notes usually heard from such tenors as Dennis Day. Potluck Supper — Members of George Starmer Camp and Auxili-ary, U. S. W. V. will meet at a 5:30 o'clock potluck supper Mon-day night, May 16, in the base-ment of the Methodist Church. The meat dish will be furnished. Members are asked to bring

"Twe had my John Deere Model 'M' Tractor about a year. Before that I used hurses for 40 years on my ranch near Oak-land ... and I wouldn't go back to horses now under any conditions. The 'M' Tractor handles every job on my 60 acres of farm ground, and I enjoy the John Deere Touch-O. Matic with its positive selection of depth control. The 'M' will plow all day on a tank of gas. And, even though Tm 70 years old, I feel good after a full day's work with this tractor!"

That's what Mr. W. A. Davison of Oakland, Ore., has to say about his John Deere Model "M" Tractor which so many formers in this area are finding ideal for general purpose power farming on 100 acres or under.

The Model" M" is adaptable to all crops and to all farm needs

If you are farming up to 100 acres the John Deere Model "M" Tractor with its modern line of "Quik-Tach" working equipment and Touch-O-Matic bydraulic control is designed especially for YOU. Not only does the "M" replace horses as in Mr. Davison's case—It brings a complete new system of speedy, efficient modern farming. Farm power jobs are done RIGHT and done ON TIME.

There is a Model "M" waiting for you at Interstate. Com-plete with power take-off and battery. Come in today and look over your "M".
