WINTER WONDERLAND — This is how Crater Lake appeared April 9. This picture, taken by Mrs. Mable York of Medford, was brought to the News-Review by her sister, Mrs. Wilbur Culp, Roseburg, They, together with Mrs. Culp's son-in-law and daughter, Mr. and Mrs. D. E. Grout, visited the lake on that date. They reported 15 feet of snow on the level, and that a total of 72 feet had fallen during the winter. The road, kept open to winter travel, is like a canyon through huga banks of snow, pilad high on either side, said Mrs. Culp. Crater Lake was frozen and considerable snow was on the ice. However, the weather was warm and some of the visitors were skiing in shorts, she said.
