Tiller Carnival Date Is Changed

Due to a conflict with 4-H Club events, the date for the Tiller School Carnival, originally set for May 21, has been moved to May 28.

Sponsored by the Tiller Parent-Teacher association, the forthcoming program reportedly is attracting much local interest. Three candidates are competing for carnival queen to be chosen by pupils of the elementary school. Contestants are Joanne Mathews, Alone Axt and Bonita Powell. The queen will

choose her own king in true May-day tradition. Among unusual features of the program will be the clown rhythm band, conducted by Mrs. Mary Erlebach.

At the White Elephant booth, presided over by Mrs. Raymond Charters, many useful and attractive articles will be on sale including a few pieces of pottery from the Wilson Ceramic studio, growing plants, costume jewelry, and wearing apparel contributed by various merchants of surrounding communities.

NEWS FROM REEDSPORT

Radio Station Secures Site; Mrs. Slonecker Dies; Fleet Pays Visit

By S. S. SMILEY
News-Review Staff
At the monthly meeting of the Reedsport City Council Monday night, lots 1 and 2, block 93, were sold to the promoters of a radio broadcasting station here for \$150 each.

Discussion was held regarding the large commercial signs along Highway 101, that block off visibility of some local businesses. It was decided to ask owners of these signs to move them back farther from the highway.

The Reedsport Packing Co. was notified that the two waterfront lots they had leased from the city could not be available after June 30. The council has tentative plans to fill these two lots, and install a place where small boats can be launched and re-loaded.

At the request of garden owners, it was voted to strictly enforce the ordinance against dogs being allowed to run at large during the summer months.

A rental of \$7.50 a night will be charged anyone desiring to rent the city hall for meetings. Block 5 was set aside for use as a city park, with the Reedsport Garden Club to be asked to supervise improvements on it.

An easement was granted the Central Lincoln P. U. D. for their tower on the hill back of town. Cunningham and Associates of Portland will supervise work on the Wade's Flat sewer system, as some complaint had been made on the preliminary work done by Engineer Buckingham of Coos Bay.

Funeral Services Held
Funeral services were held in Reedsport Saturday for Mrs. Mary Slonecker of Tidewater, near Waldport, where she has been living with her son, Chester Slonecker.

Mrs. Slonecker, a Gold Star Mother of World War I, was a pioneer resident of the Five Mile district, north of Gardiner, where she resided for many years. Her son Wilbur, died in France during World War I.

She is survived by two daughters, Mrs. Conrad Townsend, Gardiner, and Mrs. Dessie Dalley, Florence; four sons, Charles of Gardiner, Roy of Florence, Ned of Powers, and Chester of Tidewater, besides several grandchildren and great-grandchildren.

Mrs. Slonecker was born in Freeport, Ohio, Sept. 30, 1863, and died May 11, in her flower garden at her son's home at Tidewater, where her body was found, after she had apparently been dead about two hours.

Interment was in the Gardiner Masonic Cemetery.
Fishing Fleet Visits
A fleet of more than a dozen outside trolling boats came to Reedsport Wednesday, making a beautiful display as they came up the river through the highway and railroad bridges to moor at local fish plants and the Port Dock.

Most of the boats were from Newport, Astoria and even farther north, and had made a hurried trip south when a report

MILL REPORTED CLOSED
EUGENE, May 14.—(P)—Sources at Mapleton have reported that 250 men were laid off at the U. S. Plywood Mill and that the entire logging crew of the Siuslaw Forest Products Co. were dismissed this week. Also closed was the smaller Cope Creek Logging Co.

This report proved incorrect, although fairly good catches had been made by a few local boats working out of this harbor. Additional boats of this northern fleet tied at Winchester Bay, and did not come up the river.

Budget Drawn Up
The Reedsport City Council and members of the budget committee met in the city hall Wednesday night, and worked out a proposed budget for the coming fiscal year. As proposed, the budget items will be: General fund, \$45,844; water fund, \$49,750; land board, \$9,500; building fund, \$5,
