## Indians Win On Forfeit In Disputed Play

Myrtle Creek Vikings, Leading 11-8, Lose In Talkfest With Umpire

A heated argument, in which Myrtle Creek alleged Leo Bowers, who was base-running from second to third, had "interfered" with Myrtle Creek's third baseman, cost the Vikings last night's game at Finlay field on a forfeit to the Roseburg Indians.

Base umpire Bill Shapiro held that Bowers had not interfered with the fielder. Coach Forrest Laughey and members of the Viking baseball team argued the Roseburg base-runner had deliberately run down third baseman C. Clack to prevent him from making a play.

Plate umpire Hal Edgar, also head umpire of the game, requested that play be resumed. Myrtle Creek spokesmen continued to argue Shapiro's decision. Edgar then ruled that the visitors forfeit the game in favor of the Indians.

Al Flegel, recognized baseball authority and umpire, who had witnessed the incident as a spectator, was queried by the News-Review for his interpretation of the incident.

Flegel said no interpretation of rules was involved; only an umpire's decision. "You cannot argue an umpire's opinion," he emphasized. "The umpire runs the game—the players do not run the umpire," he added.

**Story Of The Game**  
The argument came after Dexter Garey had scored Roseburg's eighth run with two away in the bottom half of the sixth. Bowers, hit by a pitched ball, went to first. Barry Kenny followed Bowers on a fielder's choice.

Shortly thereafter, Bowers attempted to advance to third, after which the incident occurred and the argument ensued.

Roseburg had started out with four runs in its portion of the first, after Myrtle Creek failed to score. Garey and Bowers each singled, then Kenny hit a three-bagger, scoring all six. Clack, hit by a pitched ball, slipped through first's fingers, scoring Kenny. Scotfield singled, then Sanders fled out to left field. Rowe scored on the throw-in.

Bud Shirlcliff singled in the second, then scored on a stolen

## Schoendienst Tops Batters In National League

NEW YORK, May 17.—(AP)—Stan Musial, usually a familiar figure up at the top of the National League batting race, is conspicuously absent from the top ten hitters, but his place is occupied by another member of the St. Louis Cardinals—second baseman Al (Red) Schoendienst.

The skinny redhead, back in the Card lineup after a siege of injuries, is hammering away at a .382 clip. He has rapped out 28 hits in 73 times at bat through games including those of Sunday, May 15.

Schoendienst replaced teammate Eddie Kazak, who led the pack last week. The rookie Card third baseman dropped 49 points from his .387 figure of a week ago and has dropped down into sixth spot with .338.

Willard Marshall, rightfielder of the New York Giants, has taken over the runner-up spot with .352, only two points behind the leader. He is followed by Ralph Kiner, Pittsburgh, .353; Whitey Lockman, Giants, .354; and Alvin Dark, Boston, .349.

base, a pass-ball and an error. Roseburg followed with two more runs in the bottom half of the second. Garey singled and Bowers was hit by a pitched ball. Both advanced and scored, putting the count at 6-1, Roseburg.

Myrtle Creek had a big fifth inning, in which eight runs were scored on 13 Viking trips to the plate.

Three Roseburg pitchers tried to halt the Viking fifth inning scoring rampage, including starting pitcher Mickey Coen, and relief pitchers Claren Hooper and Tom Johnson.

Four bases on balls, three hits and several errors were parlayed into Myrtle Creek runs, with every man in the Viking lineup except one scoring, putting Myrtle Creek ahead 9-6.

Roseburg tallied a run in its portion of the fifth, with Bobby Sanders making the circuit on errors. Two additional tallies by Myrtle Creek's Hanna and Shirlcliff in the sixth, put the count at 11-7, Myrtle Creek.

Roseburg's Garey tallied one more run for the Indians, after which the dispute developed.

The Indians battle Sutherland at Finlay Field this afternoon starting at 3 p.m. This is the final Roseburg game of the 1949 season. Indian rooters will see four Roseburg lads in their final High School baseball action today. They include Bobby Sanders, Stan Cornutt, Neil Wissing and Leo Bowers, who graduate in June.

**FINAL GAME**—The above four baseball players will discard their Roseburg Indian baseball uniforms forevermore after today's game with Sutherland High School. Indian baseball fans may see them in action starting at 3 o'clock this afternoon, at Finlay Field. ### Fishery Possibilities Of Umpqua Basin Stressed By Biologist Ross Newcomb

Anticipation by individuals or groups of the same kind of industrial development here as in the East, without an effort being made to avoid the same destruction of natural, self-maintaining, renewable resources as occurred there, "never ceases to amaze" Ross Newcomb, resident biologist for the State Game Commission.

Newcomb, in charge of the Umpqua River study, spoke to the Roseburg Chamber of Commerce Monday noon at the Umpqua Hotel. He was introduced to the audience by Charles V. Stanton, editor of The News-Review. Newcomb's comprehensive speech was entitled, "Possibilities for the Umpqua Fisheries."

"It seems to me to be of paramount importance that this subject—the fishery possibilities—be considered for the whole drainage basin," said Newcomb. "Not just from the standpoint of Roseburg, or Reedsport, or any other section. And furthermore, it must be considered from a long-term standpoint."

Looking to the day when surplus timber in this area shall have been cut, and the industry operating on a sustained yield basis, Newcomb pointed out that part of the economic emphasis can be switched to fish and wildlife—"also on a sustained yield basis."

Opportunities Cited  
Newcomb declared there is room for "several small vacation resorts and a dude ranch or two." The river also needs a good guide service, he said, because many people, disappointed at their lack of angling success, are "woefully ignorant" as to how the stream "should be worked."

There is "certainly plenty of room for more and better" tourist and short-stay guest accommodations along the river. With completion of the Diamond Lake Highway, it is "quite likely" that private capital will "jump at the opportunity," he said.

It would be wise, he pointed out, to try to attract operators with ideas which are in harmony with the area development before inferior establishments get a

### Ike Williams' Injury Postpones Title Bout

LOS ANGELES, May 17.—(AP) Champion Ike Williams' lightweight title bout with Mexico's Enrique Bolanos, scheduled for May 26, has been postponed. But a new date probably will be set today.

Dr. Francisco Bravo, California athletic commission physician, announced after examining Williams yesterday that the champion is suffering from bursitis of the right shoulder joint. The malady is an inflammation of the sac containing fluid which lubricates the joint.

## Boxing Wrangle With Umpire In Losing To Nats

By JOE REICHLER  
(Associated Press Sports Writer)

The muffled explosions you may hear in the distance are possibly the sound of big-league managers flipping their lids. This seems to be the season for it.

Jurt Shotton of Brooklyn and Joe McCarthy of the Boston Red Sox, two of the milder masterminds, are the latest to blow off steam.

After watching his charges drop three straight to the Braves in Boston, Shotton really exploded Sunday. He ripped into his players with a tongue-lashing the likes of which they had not heard, since the departure of Leo Durocher.

McCarthy's explosion came yesterday, but his tirade was directed at the umpires. It came about after the final out was made in the Washington-Boston game, won by the Senators, 3-2.

Plate Umpire Joe Paparella had just ruled that the final out was made before the potential tying run had crossed the plate. This brought McCarthy and the entire Boston team out on the diamond, protesting that Tom O'Brien had crossed the plate before Lou Stringer was tagged after rounding second on pinch hitter Sam Mele's single. After considerable wrang-

ling, Paparella walked off the field with McCarthy and his Red Sox awarred around him. Of course, the decision stood.

Yesterday's triumph enabled the Nats to deadlock the Philadelphia Athletics for fourth place in the American League. They trail the front-running Yankees by three games. The seventh place Sox are now five games off the pace.

Mickey Haefner pitched an eighth-inning for his third triumph.
