**Higher Prices For Citrus Fruits, Nuts Aim Of Bill**

WASHINGTON, May 20.—(AP) Legislation intended to lift prices and incomes for producers of oranges, lemons, grapefruit, almonds and filberts was approved Thursday by the Senate Agriculture Committee.  
The bill would bring canned and processed citrus fruits under federal marketing orders and agreements. These regulate the amount and quality of farm products that may be marketed. If a majority of producers agree, the purpose is to support prices.  
At present these orders control citrus sold for the fresh fruit market but do not apply to fruit sold for processing.  
Similarly, the bill would add almonds and filberts to present marketing orders covering pecans and walnuts.

Jimmy Hodson, above, was the last man to be knocked out of the state marble tournament at Portland. He was defeated two out of three games in the finals by Billy Giltner of Bend. Above, Jimmy holds the Young Oregonian trophy awarded to him for placing first in the A division. On his chest are pinned medals for beating the field in the city meet here, and a medal presented at the state meet. This was Jimmy's first year of competition. (Paul Jenkins picture.)

**Jimmy Hodson Places 2nd In Marble Tourney**

Sharp-shooting Jimmy Hodson, 12-year-old sixth grader at Riverside School, shot his way to the finals in the state marble tournament held at Portland last week, then was beaten out by Billy Giltner of Bend, in a final two-out-of-three game match.  
Jimmy, son of Charles Hodson, 1525 Cedar St., outshot a big field of rivals in the A division, limited to boys 6-12 years old.  
Roseburg's Jimmy cleaned the ring in a go with Billy, winning all 13 marbles in the first game of the finals. In the second game, Jimmy's shooter rolled to a fatal stop inside the 10-foot circle. Billy knocked it out to even the score, at one game apiece.  
Billy won the lag on the third game and knocked out a marble on his first shot. Both missed their next shots. When Jimmy shot again, his shooter again stopped inside the ring. Billy took careful aim, snapped his thumb and put out Jimmy's shooter to win the series.  
It was the second straight year that a Roseburg contestant came out second best in the state tournament. Doyce Karman was runner-up last year.  
A total of 45 cities from all parts of Oregon were represented in the tournament. State Champion Billy received a bicycle, a complete clothing outfit, a free trip to the national marble tournament at Pittsburgh, a VFW medal and a trophy.  
The national tournament is being sponsored by the Veterans of Foreign Wars. In Roseburg, the city tournament was sponsored by the VFW and the Roseburg Eagles lodge.  
Final results of the state marble meet were:

**Forest Grazing Fund To Improve Ranges Sought**

WASHINGTON, May 20.—(AP) —Rep. Case (R-S. D.) has proposed that 50 percent of gross forest grazing receipts for 10 years beginning next July 1 be earmarked for range improvements within the national forest.  
He introduced a bill comparable to one offered in the Senate by Senator Wayne Morse (Ore.). Case would include South Dakota which was not listed in the Senate bill.

The other states named in both bills are Arizona, Washington, Idaho, Oregon, Montana, Wyoming, Utah, Colorado, New Mexico, Nevada and California.  
Other new bills introduced included:

By Delegate Bartlett (Alaska) —To repeal the federal tax on transportation of persons.  
By Rep. Mitchell (D-Wash.) —To amend the Public Health Service Act so as to raise to \$250,000 the present minimum amount of federal aid to a state under the hospital construction program. The present minimum is \$100,000.

By Rep. Mitchell (D-Wash.) —To authorize appointment of a commission to determine the amount of money that should be paid states and subdivisions in lieu of taxes on federally owned land.  
**Tobin Predicts Passage Of T-H Law Repealer**  
LOS ANGELES, May 20.—(AP) The Secretary of Labor is confident the administration will repeal the Taft-Hartley law will be passed at this session of Congress, with some amendments.  
"I believe the votes that committed it (the Thomas-Lesinski bill) to committee will be the votes that will put it over," Maurice J. Tobin told newsmen here.  
The Secretary said the amendments he referred to are those which would retain the Taft-Hartley Law's requirement for unions to file non-Communist affidavits.

**EXCESS INFLUENCE**  
LAS VEGAS, Nev., May 20.—(AP)—This desert resort will think twice about inviting the Jemez Indians again for Hellsdorado Week.  
During the parade last Thursday, the New Mexico tribe did a rain dance ritual, guaranteed to bring rain.  
It has rained every day since in this arid city which slogans "fun in the sun."
