Fair Share Of Lumber Orders Asked For U. S.

WASHINGTON, May 20.—(AP)—Rep. Mack (R-Wash.) Thursday asked a special House Committee on foreign aid to see to it that American producers get a fair share of lumber orders from countries receiving Economic Recovery Administration aid. He described how lumber and plywood shipments have decreased in the last year and said the ECA issued regulations designed to prevent discrimination against the American industry. He cited one instance where foreign governments placed restrictions on their lumber orders that prevented Americans to bid for the business. He illustrated by saying that the timber controller in London issued a set of "very difficult" specifications in calling for lumber bids on May 3 with the requirement that American suppliers have their bids in by May 9.

State Police Recapture Escaped Prison Trusty

SALEM, Ore., May 20.—(AP)—State Police Thursday recaptured Robert Earl Lee, 34, State Prison trusty who walked away from the Prison farm six days ago. They found him hiding out at Scotts Mills, located in the hills 20 miles east of here. Lee, who took a portable radio and an alarm clock with him when he left the Prison, was employed in the Prison chicken-house. He was sentenced Sept. 4, 1947 in Lake County to serve eight years for assault with intent to kill.
