## VA Canteen Service Bill Signed By Truman

WASHINGTON, May 23.—(AP)—President Truman signed Saturday a bill expected to save taxpayers more than \$1,000,000 a year.

The new law will allow a special "veterans' canteen service," which operates in hospitals and other agencies of the Veterans Administration to pay salaries and wages of its employees and other expenses. It now seeks funds each year from Congress.

The canteens sell cigarettes, candy and other merchandising to residents and employees of the veterans hospitals and facilities under a limited profit plan. Veterans officials said a slight increase in prices charged will result in the savings.

## Three Netters Of RHS Qualify For State Tourney

By CHUCK PLUMMER

Three outstanding players on Al Hoffman's Roseburg High tennis team qualified for the state tennis tournament, in the district tournament Saturday at North Bend. Dick Jacobson, Gordon Conley and Norm Queen took second honors in singles and doubles at the tournament, which was originally scheduled for Coos Bay, but transferred to North Bend because of wet courts.

The three Indian netters, Jacobson in singles and Conley and Queen in doubles, placed second to Marshfield, the district champs, to earn entry in the tournament, which will be held in Portland. Jacobson, Roseburg's freshman first man, was badly outclassed by Ron Robins, Marshfield's sophomore sensation, in his first match, but came back in turn to outclass entries from Coquille and North Bend to earn the runner-up spot.

Conley and Queen, also matched against Marshfield, in their first battle of the day, furnished the onlookers the most exciting match of the tournament, losing a hard-fought match in three sets to Pirates Jim Bauer and Leroy McCoy. The Roseburg doubles duo also outclassed opponents from Coquille and North Bend to gain second place thus the one-two teams in the district finished one-two in the tournament and both gained entries to the state tournament.

In the opening matches of the day, Jacobson lost to Robins, 6-1, 6-3, and Bob Gouley of North Bend defeated Eldon Chowning of Coquille, 6-3, 6-3.

Following these two singles matches were the doubles matches, but they were rained out after a few games and play was not resumed until 2 o'clock. Conley and Queen, leading Bauer and McCoy 2-1 and forty-five when it started to rain, ran out the first set, winning 6-4. The next set was a hard-fought affair, with both teams straining to win. The Pirate duo came out on top, 7-5. The final set was equally hard fought, with the Indian doubles team coming from behind to tie the set up at three all only to drop the next three games to the Marshfield veterans, losing 6-3. In the other doubles match, Sam Duncan and Larry Wilson of Coquille defeated Sonny Gomes and Lester Swain of North Bend, 6-4, 3-6, 6-1.

The next round was singles, with Robins outclassing Gouley, 6-0, 6-2, and Jacobson beating Chowning, 6-0, 6-1. In the second doubles round, Bauer and McCoy defeated Duncan and Wilson 6-3, 6-1, and Conley and Queen dropped Gomes and Swain of North Bend, 6-2, 6-2. The final two matches pitted Jacobson against Gouley of North Bend, and Conley and Queen against Coquille's Duncan and Wilson, with Jacobson winning 6-4, 6-0, and the Indian doubles duo taking their runner up spot with a 6-0, 6-3 victory.

## Oakland Sewage Plant Approved By Authority

PORTLAND, May 23.—(AP)—Milwaukee, Beaverton, Canby and Oakland are joining in the State Sanitary Authority's campaign to clean up Oregon rivers.

Their plans for sewage disposal systems were approved Friday by the Sanitary Authority.

The largest is Milwaukee's, designed for 7,500 to 10,000 persons, and estimated to cost \$190,000. A bond issue will finance it.

Beaverton already has issued \$225,000 in bonds, and will open bids June 1 for its system.

Canby's has an estimated cost of \$116,200 for sewers and \$39,000 for the plant. Oakland's is to serve 1,000. The estimated cost is \$106,000.

This made 13 cities that have submitted such plans in the last eight months.

## Odell Is Pleased With Showing Of Husky Ball Team

SEATTLE, May 23.—(AP)—Coach How Odell allowed himself a fleeting smile of satisfaction today over results obtained in 30 days of intensive spring football training at the University of Washington. The windup came yesterday in a full-dress rehearsal that saw the Purples defeat the Whites 21-9.

Most of the Huskies' backfield stars were on the Purple team, but they had their hands full as the "White" defensive specialists grabbed a 9-7 lead in the third quarter.

A 48-yard march in the same period with Jim Wiley going over from the one put the Purple squad out in front again. The clincher came in the fourth quarter when fullback Hugh McElhenry grabbed a pass from quarterback Don Heinrich and rammed 67 yards to paydirt.

Plays were run from the straight 5, the single-wing T, the double wing T and a formation in which a flanker was stationed outside the wingback. The man-in-motion has been eliminated.

Football resumes again with the fall turnout Sept. 1. The first Washington game is against Utah here Sept. 17.

## Bud Ward Tops Golfers At Pendleton Tourney

PENDLETON, May 23.—(AP)—Bud Ward of Spokane leads a field of 48 golfers into the 36-hole championship rounds of the Pendleton open tournament today.

He followed his Saturday record-setting 64 with a tidy 66 yesterday to post a strong lead over his rivals in the \$1,500 tourney.

Behind Ward was Dave Hamley, Pendleton amateur, with 69-70 for the two 18-hole rounds. Emory Zimmerman of Portland led the pros with 72-67.

Chuck Congdon of Tacoma, defending champion, had a 71-74 card.

## Clackamas Turns Down Levy To Repair Roads

OREGON CITY, May 23.—(AP)—The proposed \$1,650,000 levy to repair Clackamas County's winter-damaged roads and carry out improvements was rejected by a vote of 4,445 to 3,000, a tally of last week's special election showed.

Oregon City voters turned down another levy by a vote of 643 to 381. That one would have raised \$21,000 annually for three years to build a bridge here.

The city approved a levy of \$28,000 for two years and \$7,000 for the next eight years to improve the fire department. That measure carried, 674 to 406.
